West Butterwick C of E Primary School
Foundation Stage Long Term Plan

Within the Foundation Stage, we are focused on the children and providing learning opportunities based on their interests. This long term plan is a guide and the topics covered may/will be changed/adapted to suit the children.

As part of the Reception children's learning, there is also a Long Term Plan for Religious Education. The children in Nursery will have experiences based on the key Christian Festivals and those of some other religions.

The Reception children will also have learning opportunities with the Key Stage One Long Term Plan in the afternoon sessions.
