towards the Professionals

Farm
Mitsopoulos®

OUR STORY

With over 50 years of experience in meat production and standardization, we at Mitsopoulos Farm continue to invest significantly in the design and creation of new innovative products in order to ensure the success of our partners in the catering industry.
Our name inextricably linked to the tradition of meat in harmony with today's modern food trends.
The sophisticated vertically integrated technology of production excels in all stages, giving the professional a head start in offering products of consistent quality and excellent taste.
We know everything about meat!

OUR PHILOSOPHY

This philosophy is demonstrated through a great range with more than 250 products, covering all the different types of the individual needs of professionals in the field of the catering industry.
The professionals will find excellent quality marinated gyros, skewers in different cuts, premium burgers, traditional recipes in delicious kebabs, juicy burgers, stuffed meat products, sausages, grilled and crumbed meat products.

OUR INNOVATION

A team of technical advisors can help in the management of your products, always striving for the best results.

«Respect towards the professionals» is our main focus so that we build long-lasting relationships of trust.

Join us and let's create together the **success story** of your business.

Mitsopoulos Farm implements Food Safety Management Systems according to the standards **ISO 22000:2018, FSSC 22000 ver 5.1** και **IFS ver 6.1.** The category of Food Safety Management Systems includes HALAL certification, i.e. food that is in compliance with Shariah law (Holy Muslim Law).

ISO 22000:2018 is applied for the slaughterhouse of the facility
Quality Management System according to **ISO 9001:2015**
Environmental Management System according to **ISO 14001:2015**
and Occupational Health and Safety System according to **ISO 45001:2018**

Recently certified with the Road Safety Management System **ISO 39001:2018**
and Corporate Social Responsibility **ISO 26000:2014**
