Dear Parents/Carers

Nativity 2020
There's nothing like a Nativity to get us all in the Christmas spirit! You are invited to view our wonderful **Nativity on YouTube** and you can share this link with families and friends who would normally have been able to come into school to see the Nativity.

I do love a traditional Nativity and it is very special to see our youngest children acting, all the children singing and our Y2 children reading with confidence.

Please contact the office to be sent the link, or see original e-mail sent 9.12.20.

All of the children in Reception class designed a programme cover for the Nativity and the staff chose this one by Ottilie.

Special thanks to all staff and children in YR, Y1 and Y2 involved in the nativity and especially:

Mrs Newman – director and YR teacher

Mrs Thayer, Mrs Moriarty and Mrs Dunford – KS1 teachers

Mr Howell - filming and editing

Mrs Newsome – piano and singing

Mrs Thorne - guitar

Carolyn White - photographs

Carolyn White is a professional photographer, who has given her time without charge. She can be contacted on: www.carolynwhitephotography.co.uk
