DR. ISTVAN URBAN

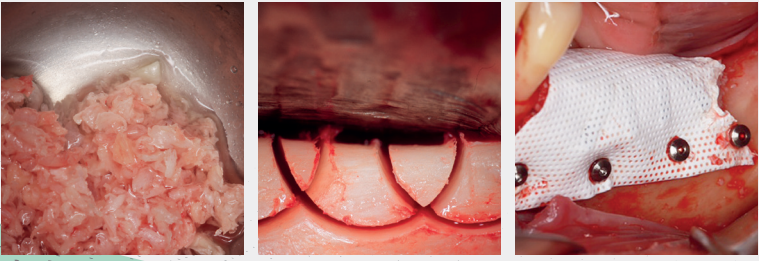

Dr. Urban received his DMD degree and subsequently his MD degree from Semmelweis University School of Medicine and Dentistry (Budapest, Hungary) in 1991 and 1996. He completed a fulltime program in oral surgery at St. Istvan Hospital in Budapest, Hungary (1992-1996). He completed his internship program in Periodontics at UCLA.

After he graduated from the Fellowship Program (1999-2000) in Implant Dentistry at Loma Linda University in Loma Linda, California, he was appointed assistant professor the following year. Dr. Urban teaches implant dentistry in the graduate program at Loma Linda University. He is licensed in the state of California (USA) and has a private practice in Budapest, Hungary.

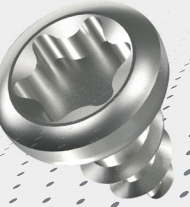

Dr. Urban received his PhD degree in Periodontology in 2012 at the University of Szeged, Hungary. He is currently an honorary professor at the University of Szeged.

Dr. Urban is a board member of the Osteology Foundation and has published scientific articles and text book chapters on bone regeneration and soft tissue reconstructive surgery around dental implants. Recently, Dr. Urban has become an adjunct clinical associate professor at the Department of Periodontology and Oral Medicine at the University of Michigan.

COURSE CONTENT

Dear colleagues,
We are thrilled to invite you to an extraordinary educational experience: The Art and Science of Tissue Therapies - Master Class on Tour 2026. This exclusive roadshow brings together two of the most renowned experts in implantology and hard & soft tissue regeneration, offering a unique blend of scientific insights and hands-on training in four major European cities: Paris, Milan, Warsaw, and Düsseldorf.

Over the course of two intensive days, you will gain cutting-edge theoretical knowledge and actively engage in practical exercises designed to elevate your clinical skills. Our expert speakers will guide you through real patient cases, discuss advanced treatment concepts, and demonstrate innovative solutions that can be immediately implemented in your daily practice.

Beyond the classroom, this event is also about building connections. At our Come-Together Party on Friday evening, you will have the opportunity to network with fellow professionals, exchange experiences, and enjoy a relaxed atmosphere with like-minded colleagues.

Don't miss this opportunity to be part of an exclusive learning journey that combines scientific excellence with practical expertise. Join us and take your skills to the next level!

We look forward to welcoming you.
Best regards
