Read memorial from the residents of Kilmallock, requesting the use of the Fever Hospital, for conversion into a Boys 'National' School, as the present school is not large enough to accommodate the two hundred boys who attend daily in our room for instruction, and also requesting the use of the field attached to the Hospital for a playground for the boys.

After a discussion on the matter, Mr. Casey proposed that no interference be made with the Institution, until it is decided whether the Hospital is to remain at Croom or not.

Mr. Binneil seconded.
Mr. Flynn proposed, Mr. O'Riordan seconded, that the application be put before the Department, the Council recommending that the Fever Hospital be given over for a School.

Mr. Kennedy proposed a further amendment, that the application be adjourned until the six months probation of the County Hospital at Croom is up.

Mr. Cromsey seconded.

Mr. Casey withdrew his proposition, and Mr. Flynn his amendment, in favour of Mr. Kennedy's, which was then passed unanimously.
