Blast your whole family into LEGO® Galaxy when you build and ride the all-new Galacticoaster, one of three new space-themed rides launching March 6<sup>th</sup> at LEGOLAND California Resort!

Explore LEGO® Galaxy, an intergalactic spaceport, featuring:

**GALACTICOASTER**

The ultimate indoor family coaster! Blending storytelling, interactivity, and cutting-edge ride technology, Galacticoaster will take families on a build-your-own LEGO® space adventure with more than 625 possible spacecraft combinations you can actually ride!

### **G-Force Test Facility**

Test your ability to withstand G-force effects from swinging, turning and tilting in the air with the help of a really big alien. A real astronaut *must* be able to handle it. Can you?

### **DUPLO® Launch & Land**

A flight training simulator, where young astronaut cadets can practice the first steps in taking off and landing a spacecraft.

### **Junior Astronaut Training Zone**

Little ones can test their space legs in a dedicated toddler play area, perfect for imaginative cosmic escapades.

### **Galactic Grub & Gear**

At U.F.O. (Ultimate Food Outlet), Stardust Treats and Satellite Bites, families can refuel with out-of-this-world food and drinks. Plus, Orbital Outpost retail shop is the place to stop for space-faring souvenirs to commemorate your mission.

The countdown is on to March 6<sup>th</sup>! Chart your course for an out-of-this-world adventure at LEGOLAND® California Resort! Book Now at [LEGOLAND.com/California](http://LEGOLAND.com/California).
