The board of judges for the International Grands Prix for Automotive innovation, made up of nearly 100 journalists representing 18 countries, unveils the 30 Innovations that it has shortlisted to compete in the final phase of the prestigious competition organised by the tradeshow EQUIP AUTO Paris.

As a contest acknowledged all over the world as a marker of quality, the International Grands Prix for Automotive Innovation once again met with a lot of interest from EQUIP AUTO exhibitors. The 96 judges, from France and abroad, were thus asked to examine **107 entries** and shortlisted 30 of them in the race for the 2022 title.

The winners of each of the seven categories will be announced on 10 October following a second vote by the panel. They will then be presented with their award at the EQUIP AUTO Paris gala evening which will be held on Wednesday 19 October.

About EQUIP AUTO

"Reinventing services for mobility": the trade show EQUIP AUTO is, within the EMEA zone, the leading international event for innovation in aftersales and services relating to connected mobility.

It places **innovation, expertise, dialogue and conviviality** at the heart of its ambition, assembling all the automotive value chain's players and know-how in the aim of shaping, developing and delivering the mobility services of the future. EQUIP AUTO is an exhibition by the Federation of Vehicle Equipment Industries (**FIEV**) and the French Bodywork Federation (**FFC**), and the **Comexposium Group**.

It takes place every two years at the Paris Porte de Versailles exhibition centre and **brings together more than 1,000 exhibitors and brands and 80,000 professionals**.

In **alternate** odd-number years it organises EQUIP AUTO On Tour with its regional meetings around France.

Paris Automotive Week

For the first time, from 17 to 23 October 2022 at Porte de Versailles, the two flagship events of the automotive sector, and the Paris Motor Show (Mondial de l'Auto) the exhibition EQUIP AUTO, come together under the same banner by creating Paris Automotive Week.
