

LONG SLEEVE SHIRT

Regardless of the size of your image, it will be placed within the specified print area of your long sleeve shirt.

Create fonts and logos in vector format.

If you need to print your design without a background, be sure to remove anything in the background from your file before saving it for printing.

Please prepare your file for printing in PDF/X-4 format.

PRINTED AREA FOR FRONT

355.6 x 406.4 mm / 14.000 x 16.000 inch
