

## T-SHIRT

Regardless of the size of your image, it will be placed within the specified print area of your T-Shirt.

Create fonts and logos in vector format.

If you need to print your design without a background, be sure to remove anything in the background from your file before saving it for printing.

Please prepare your file for printing in PDF/X-4 format.

## PRINTED AREA FOR RIGHT/LEFT SLEEVES

90 x 100 mm / 3.54 x 3.93 inch
