

SaltireScholars

We offer 8-12 week internships within global and entrepreneurial companies, guaranteed to ignite your career!

The Entrepreneurial Scotland Foundation is a leading not-for-profit with over 20 years' experience helping thousands of individuals and businesses learn to think, act and lead entrepreneurially. Our vision is to inspire and develop Scotland's people to build the most entrepreneurial society in the world.

We are achieving this vision with the Saltire Scholar Internship Programme, the only national pre-graduate programme in Europe. Open to penultimate year students at Scottish universities from any degree discipline, we offer 8-12 week summer internships within global and entrepreneurial companies. Saltire Scholars work on projects of commercial significance, delivering tangible results, and can be in-person or virtual.

"I have felt myself becoming more resourceful, confident, and innovative when solving problems and completing tasks. These are skills that I believe will be beneficial as I move into my final year at university and continue to progress in my professional career."

**Oluwaseun Olukoko,
2021 Scholar,
Heriot Watt
University**

"Becoming a Saltire Scholar is an amazing opportunity to push your boundaries and apply your skills within a new context."

**Abigail Allen,
2021 Scholar,
Glasgow School
of Art**

Every Saltire Scholar is paid a full-time living wage for the duration of their internship. Through the experience, our Scholars gain a global perspective, develop an entrepreneurial mindset, and return to their final year of university with an increased confidence and ambition of what they can achieve.

Over 1,500 students have gained Saltire Scholar internships since 2007.

Over 370 companies have hosted Saltire Scholars across 32 countries globally.

91% of 2021 Saltire Scholars said their confidence in their leadership abilities improved as a result of their internship.
