These policies ensure that all students gain the maximum benefit from their course and from their ability to communicate and interact with other students and personnel within the school.

Failure to adhere to these policies will result in students being asked to leave the class or the school.

Persistently speaking a language other than English or persistent absence or late arrivals will result in a student being asked to leave their course permanently. There will be no exceptions.

Any person undergoing medical treatment should bring a medical certificate and should bring sufficient medicine to cover their stay in Ireland.

Important health or psychological problems must be brought to the attention of GCI/GBS before enrolling so that the school can approve the booking and facilitate the specific condition, where possible.

Failure to do so may result in the booking being cancelled even after the course has commenced and the student being sent home.

These include illnesses or conditions that may manifest themselves during the stay that may be deemed to be in any way contagious, whether real or imagined, and include, but are not limited to skin, bronchial, stomach or other conditions that might infect others or are such that you cannot be in a school situation.

You will need a doctor's letter to confirm that you are now fit to return to the school. In serious situations, you may be asked to return home.

All costs associated with such conditions, including medicines, fumigations, laundry etc. either of you, the school or the accommodation, are the sole responsibility of the student.

We have a duty of care to you and to all other students and staff members in our care and have to take the necessary steps to ensure the best outcome for everyone.
