

JOB DESCRIPTION

Finance Placement

Company name: Volkswagen Group

Job Title: Finance Placement

Reports to: Finance Manager

Role Overview

Volkswagen Group UK is wholly owned by the Volkswagen AG: one of the most successful automotive manufacturers in the world, with some of the most iconic brands that the industry has ever seen. Volkswagen Group UK is a commercially astute, nimble, customer-focused operation with people who are passionate about what they do.

Strong financial performance is key to any business success. Working in a group function, you'll be uniquely placed to support the wider business including our iconic brands. You'll gain insight into a broad spectrum of financial fundamentals including budgeting, financial analysis, treasury and payroll. Our undergraduate placement will let you test your skills, work in real business roles on key projects, and turn your knowledge and passion into real-world, value-adding impact.

Role Duties

- Learn more about key skills like problem-solving, relationship building and project management.
- Influence key business decisions.
- Design and launch initiatives to be used across the Group.
- Put forward ideas and collaborate with senior leaders.
- Participate in high-profile projects.
- Keep up to date with new developments, relevant legislation, and other statutory regulations.
- Undertake training and learning with a structured development plan.

Qualifications

- Studying a relevant finance degree.
- Strong numerical, analytical and Excel skills.
- Robust verbal reasoning and communication skills.
- A good eye for detail.
- Passionate about getting the right result for the client.

This job description is a case study only. It should not be considered as an accurate description of a live role within the named organisations.
