

JOB DESCRIPTION

Finance Intern

Organisation name: GSK

Job title: Finance Intern

Reports to: Internship Manager

Role responsibility

Finance supports everything we do here at GSK and, if you join us, you'll use numbers to make a difference. We offer an independent viewpoint, driving decision-making and strategy across our organisation. We maximise profitability by managing cost, cash and return on investment. This is your opportunity to be part of a team that prides itself on delivering excellence!

If you have passion for numbers and a drive to make decisions based on your analyses, we are the right internship for you. We can promise a great learning and development experience.

Role duties

Whether it's within Tax, Transfer Pricing, Consumer Business Finance, Compliance or Finance Capabilities - you will gain both technical and interpersonal skills.

- Work with stakeholders at different levels across the business.
- Question and challenge current processes to drive improvement.
- Create reports and present your findings to the team.
- Work cross-functionally with other teams.
- Analyse data and identify issues.
- Gain an insight into what finance means in industry.
- Develop your knowledge of financial systems and processes.
- Build an understanding of drivers of profit and performance.

Qualifications and skills

- Studying Finance or a related subject and you will have completed a minimum of 2 years of your undergraduate degree.
- Motivated by the idea of a career in finance with GSK.
- Strong communication skills.
- Can work under pressure and achieve challenging targets.
- Demonstrates a commercial focus, turning ideas into actions.
- Shares knowledge and works effectively in a team to deliver objectives.
- Excellent problem-solving skills.
