Assessor Qualification L&D9DI

L&D9DI qualifies candidates to assess vocational qualifications. The qualification is based on your work practice as an assessor, and you will support a minimum of two candidates while gathering evidence.

If you do not currently work for an approved centre, we can provide two candidates for you working towards SVQs in Social Services and Healthcare/ Children and Young People.

The qualification involves both self-directed study and one to one support. You will be provided with an induction to the award, an e-portfolio, e-learning resources, one to one support with your assessor which can be a mix of virtual, face to face, email or phone calls, observations of practice and opportunities of practice to gather evidence.
