Can you support us?

Can YOU support VSA and Original 106 with our partners Caber Coffee this festive season and make an impact within our communities?

This year, VSA along with our good friends at Original 106 and Caber Coffee, are aiming to get CHRISTMAS DELIVERED throughout Aberdeen City and Shire by adding an extra smile to local vulnerable adults by providing gifts for them this Christmas.

The support that VSA's services have received over the years at Christmas has been incredible, with countless donations so kindly made from individuals as well as businesses throughout Aberdeen and beyond.

Together, small acts of kindness this festive season, along with YOUR support, will make a genuine difference throughout our communities.

About VSA...

As a local social care charity, VSA stands for, shapes and delivers high-quality, caring support for our friends and neighbours in the communities of Aberdeen City and Shire.

Since 1870, our expertise and our passion are drawn from our deep roots and day-to-day experience in those communities.

From nurturing the earliest years to ageing well we want to help you live every part of your life to its full potential, while respecting your challenges and experiences.

We are at your side as an ally and an expert. We support you to be as independent as you can be, while maintaining the family, friend or community relationships you want and a safe place to call home.
