Equality, Diversity Inclusion and Belonging

The half day EDIB (Equality, Diversity, Inclusion and Belonging) course aims to provide advice, guidance and practical activities to help us understand what equality, diversity, inclusion and belonging really mean. We want to provide a friendly and supportive working environment and so this course will help you to meet the responsibilities we all have within The Equality Act 2010.

To enquire about this course, email diane.scott@vsa.org.uk
