# BSS 2 Day Proactive Strategies Pathway (Proactive Approaches)

BSS aims to support you to analyse behaviours and provide strategies to manage behaviours of concern.

This course will promote using proactive, active and reactive techniques to assist with behaviours as well as different communication methods and how past experiences from childhood can affect an individual as they grow and develop into adulthood.

The course will also support you to understand why certain behaviours are shown and how to support an individual when this happens

Cost: £390
