An intensive treatment focused on targeting the deepest layers of muscle and connective tissue to relieve chronic tension and restore mobility.

LOMI LOMI MASSAGE

50min | 160€

A premium deep relaxation experience inspired by the ancient Hawaiian tradition, created for those seeking far more than a conventional massage.

BODY SCRUB

45min | 130€

A renewing exfoliating treatment designed to remove dead skin cells, revealing skin that feels smoother, brighter, and more even in tone.

FOOT REFLEXOLOGY

50min | 145€

A wellness treatment based on the stimulation of specific reflex points on the feet, traditionally associated with different organs and body systems, promoting balance and relaxation throughout the body.

CODAGE BODY RITUALS

RITUEL RÉÉQUILIBRANT CORPS & ESPRIT 90min | 220€

A holistic ritual designed as a complete journey of reconnection and well-being, combining body, facial, and scalp therapies in a deeply restorative and sensorial experience.

SOIN RAFFERMISSANT CORPS

60min | 180€

Designed to improve firmness, tone, and elasticity in areas of reduced skin resilience through targeted massage techniques and a synergistic blend of botanical extracts and nourishing plant oils. The skin appears firmer, smoother, and beautifully redefined.

SOIN RÉCUPÉRATION INTENSIVE CORPS 60min | 180€

An intensive hydrating body treatment that restores comfort and leaves the skin feeling silky, revitalised, and radiant—particularly recommended before a special event. Ideal for repairing dry, irritated, flaky, or sun-stressed skin.

FACIAL TREATMENTS

DEEP FACIAL HYDRATION

60min | 150€

Designed to restore the skin's optimal moisture levels, instantly enhancing hydration, radiance, elasticity, and overall skin health.

RELAXING FACIAL MASSAGE

60min | 145€

A deeply soothing facial treatment designed to relieve facial tension, stimulate circulation, and provide an immediate feeling of calm and well-being.

NECK & SCALP RELAXATION MASSAGE

60min | 145€

A restorative treatment focused on releasing accumulated tension in the neck, shoulders, and scalp—areas where daily stress is most commonly held.
