This diagram shows an exploded perspective view of a three-part frame assembly. The assembly consists of a front panel, a side panel, and a back panel. The front panel is shown on the left, the side panel on the right, and the back panel at the top. The panels are connected by a series of vertical and horizontal rails. The vertical rails are labeled with the number '1' and the horizontal rails with the number '2'. Arrows indicate the direction of assembly, showing the panels being moved into place and the rails being inserted into the corresponding slots.
