

PGCE Secondary ADEPT Curriculum 2023/24

Ambitious, Diverse, Evidence-based, Professionally Transformative

The Core Content Framework (CCF)

“The quality of teaching is the single most important in-school factor in improving outcomes for pupils – and it is particularly important for pupils from disadvantaged backgrounds. No one is born a great teacher. Great teachers continuously improve over time, benefitting from the mentoring of expert colleagues and a structured introduction to the core body of knowledge, skills and behaviours that define great teaching.”

DfE ITT Core Content Framework (2019), found here:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/974307/ITT_core_content_framework.pdf

The ITT Core Content Framework has been designed to support trainee development in 5 core areas: behaviour management, pedagogy, curriculum, assessment and professional behaviours. These can be aligned to the Teachers’ Standards as follows:

CCF area	Set High Expectations Behaviour management		Promote good progress Plan and teach well-structured lessons Adapt teaching			Demonstrate good subject and curriculum knowledge	Make accurate and productive use of assessment	Professional behaviours
CCF Section	1	7	2	4	5	3	6	8
	Inclusion							
	Wellbeing							

Our ADEPT curriculum for the PGCE year is divided into four sections:

Timings

All days are assumed to be **9.00am to 3.30pm**, unless indicated otherwise. Training days will usually start with an in-person Professional Studies 'Collective' Session followed by 'Subject Group Sessions' but will also include some Subject group/pair and independent work as well as some on-line days.

Key

P – Professional preparation
 D – Professional development
 E – Professional enhancement
 EN – Professional enrichment
 S – Subject specific

Professional Preparation

Wednesday 6th September Curriculum P.1 What is education?
