

Science Equivalent Qualifications

Please note: Any equivalent qualifications accepted at Lincoln Bishop University may not necessarily be accepted at other providers. Applicants should refer to each provider they apply to for advice.

QUALIFICATION	SUBJECT	MINIMUM GRADE
GCE O-level	Physics, Chemistry, Biology, Human Biology, General Science, Geology	Level 6 Grade C
A2/AS level	Physics, Chemistry, Biology, Human Biology, General Science, Applied Science, Geology	Grade C
Scottish Certificate in Education	Physics, Chemistry, Biology, Human Biology, General Science, Geology	Ordinary level Grade C
CSE	Physics, Chemistry, Biology, Human Biology, General Science, Geology	Grade 1
A2 level	In Zoology from any UK Board	
BTEC first certificate or diploma	Physics, Chemistry, Biology, Human Biology, General Science, Geology, Applied Science	Pass, Merit or Distinction
Pearson BTEC Level 1/Level 2 First Award	Applications of Science Principles of Applied Science	Pass, Merit or Distinction
BTEC Level 2 Extended Certificate	Applied Science	Pass, Merit or Distinction
BTEC science modules from the national diploma	Physics, Chemistry, Biology, Human Biology, General Science, Geology	Pass, Merit or Distinction
Open University	S154 Science Starts Here 10pts S104 Exploring Science 60pts Y181, 15 pts	
IGCSE (International GCSE) or CIE	Science (Double award), Biology, Chemistry or Physics, Physical Science, Co-ordinated Sciences or Combined	Grade C
European Baccalaureate	Biology, Physics, Chemistry	Pass
International Baccalaureate	Biology, Physics or Chemistry at Higher or Subsidiary level	Grade 4
GCSE	Human Physiology and Health, Human Health and Physiology, Applied Science	Grade C
Access to HE course	12 credits at Level 2 in Science N.B. From the academic year 2014, GCSE equivalence will no longer be regulated. However, some courses may continue to include some level 2 units which we may consider to be equivalent.	Pass
Additional GCSE	Science (Biology, Chemistry or Physics or general Science)	Grade C
Edexcel Level 1/Level 2 Certificate	Biology, Chemistry, Physics, Double Award Science	Grade C
GNVQ Intermediate in Science	Biology, Chemistry or Physics or general Science)	Pass

Gateway to Science	GCSE Science. The Gateway suite offers GCSE Science, Additional Science, Biology, Chemistry and Physics.	
GEL (GlobalEduLink)	Fundamentals of Biology	Pass
Gateway Qualifications Level 2 Certificate	Applied Science and Technology	Grades Pass, Merit or Distinction
GCSE Equivalency Tests	Lincoln Bishop University: www.lincolnbishop.ac.uk/bgu-gcse-equivalency-tests A Star Equivalency https://astarequivalency.co.uk/ Educate Teacher Training www.educateteachertraining.co.uk/gcse-equivalence Maths Made Easy https://mathsmadeeasy.co.uk/	Grade C
