Located just a two-minute walk from Liverpool Street Station, our Grade II* listed building is the perfect location for rehearsals, auditions and read-throughs in the heart of Central London.

We regularly host a variety of professional and amateur companies and ensembles in our spaces. Our versatile rooms provide a unique backdrop for rehearsals of music, theatre, orchestra, dance and much more. Our spaces can be adapted to suit your needs, whether you require a sprung dance floor, a grand piano, high ceilings, natural light or a staging area. Please visit the main rehearsal webpage for floor plans and room specifications.

Our rehearsal rates are available on selected off-peak dates or as block bookings of 5 or more consecutive days.
