This sale is perfect for anyone looking to build a simple blog, launch an online store, or manage multiple websites.

The pricing is genuinely unbeatable, and the included features (free domain, SSL, CDN) make it even sweeter.

About Bluehost

Bluehost is one of the most trusted names in web hosting, powering over 2 million websites worldwide.

It's officially recommended by WordPress.org, which says a lot about its reliability and performance.

Whether you're a complete beginner or a seasoned developer, Bluehost offers user-friendly tools that make website creation straightforward.

Why do people love Bluehost?

- **Beginner-Friendly:** One-click WordPress installation, AI site creation tools, and intuitive dashboard
- **Reliable Performance:** 99.99% uptime SLA ensures your site stays online
- **Robust Security:** Free SSL certificates, malware scanning, web application firewall, and DDoS protection
- **Scalable Solutions:** Start small and upgrade as your traffic grows
- **24/7 Support:** Expert help whenever you need it via chat (and phone on higher plans)

From bloggers and freelancers to eCommerce entrepreneurs and agencies, Bluehost caters to everyone.

The platform handles everything from simple blogs to high-traffic online stores with ease.

Why This Black Friday Sale Is Worth It

Let me be straight with you—this **Bluehost Black Friday Sale 2025** is exceptional.

The discounts are deeper than usual, and the timing couldn't be better if you've been procrastinating on that website project.

Here's what makes this year's sale special:

Starter Plan:

- Regular Price: \$9.99/month
- Black Friday Price: \$3.99/month
- **You Save: 60%**

Business Plan:

- Regular 36-month: \$13.99/month → Now \$4.19/month (70% off)
- Regular 12-month: \$7.99/month → Now \$6.99/month (13% off)

eCommerce Essentials Plan:

- Regular 36-month: \$21.99/month → Now \$9.99/month (55% off)
- Regular 12-month: \$16.99/month → Now \$12.99/month (24% off)

Plus Extra Savings:

- VPS Plans: Additional 8-15% off already reduced prices
- High Performance Plans: Additional 12-17% off

Honestly, if you're comparing hosting providers, this sale puts Bluehost ahead by miles in terms of value.

You're not just getting cheap hosting—you're getting premium features, security tools, and support that actually responds. I've seen people pay more for hosting with half the features.

The 36-month plans offer the biggest savings, but even the 12-month options during this **Bluehost Black Friday Sale 2025** are significantly cheaper than regular pricing.

How to Buy Bluehost During the Sale

Claiming your discount is simple. Here's exactly what you need to do:

Step 1: Visit the Deal Page

Visit the [Bluehost Black Friday Sale page](#) to view all available plans and current pricing.

Step 2: Choose Your Plan

Browse through the Starter, Business, or eCommerce Essentials plans. Consider your website needs—traffic expectations, number of sites, and whether you need eCommerce features.

Step 3: Select Your Term

You'll see options for 12-month, 24-month, and 36-month terms. The 36-month commitment gets you the deepest discount during this **Bluehost Black Friday Sale 2025**.

Step 4: Complete Checkout

The discount is automatically applied. You don't need a separate coupon code. Just enter your details, choose a domain name (free for the first year), and complete your secure payment.

Step 5: Start Building

Once payment is confirmed, you'll get instant access to your hosting dashboard. Use the AI site creation tools or one-click WordPress installation to get started immediately.

The entire process takes less than 10 minutes, and you'll be ready to launch your website.

Plans & Pricing Breakdown

Let's break down exactly what you get with each plan during the **Bluehost Black Friday Sale 2025**.

Starter Plan – \$3.99/month

Perfect for: Simple websites, personal blogs, portfolio sites

Regular Price: \$9.99/month | **You Save:** 60%

Key Features:

- Host up to 10 websites
- 10 GB NVMe storage (super fast)
- Handles approximately 40,000 visits per month
- AI site creation tools included
- 99.99% uptime guarantee
- Free domain for the first year
- Free SSL certificate (Let's Encrypt)
- Free CDN for faster global loading
- Managed WordPress updates

- Weekly website backups
- Free malware scanning
- Web application firewall
- DDoS protection
- 24/7 chat support
- Yoast SEO plugin included
- WordPress staging site

What's Missing: Phone support isn't included with this plan.

This is ideal if you're just starting out and want reliable hosting without breaking the bank.

Business Plan – \$4.19/month (36-month) or \$6.99/month (12-month)

Perfect for: Growing websites, multiple sites, small businesses

Regular 36-month Price: \$13.99/month | **You Save:** 70% **Regular 12-month Price:** \$7.99/month | **You Save:** 13%

Everything in Starter, PLUS:

- Host up to 50 websites
- 50 GB NVMe storage
- Handles approximately 200,000 visits per month
- Phone support included (huge bonus)
- Malware detection AND removal (not just scanning)
- Domain privacy free for the first year

The Business Plan during this **Bluehost Black Friday Sale 2025** is an absolutely brilliant value.

For just 20 cents more per month than Starter (on the 36-month term), you get five times the storage, phone support, and protection for 50 sites.

If you're serious about your online presence, this is the one to get.

eCommerce Essentials Plan – \$9.99/month (36-month) or \$12.99/month (12-month)

Perfect for: Online stores, membership sites, course creators

Regular 36-month Price: \$21.99/month | **You Save:** 55% **Regular 12-month Price:** \$16.99/month | **You Save:** 24%

Everything in Business, PLUS:

- Host up to 100 websites

- 100 GB NVMe storage
- Handles approximately 400,000 visits per month
- Secure payment processing
- WooCommerce auto-installation
- Product subscriptions
- Visitor memberships
- Offer paid courses
- Affiliate programme tools
- Custom email templates
- Easy social logins

If you're planning to sell products, services, or memberships online, this plan has everything you need. WooCommerce integration, payment processing, and subscription management are all included.

VPS Plans – Additional 8-15% OFF

Perfect for: High-traffic sites, developers, advanced users

VPS (Virtual Private Server) hosting gives you dedicated resources and greater control.

During the **Bluehost Black Friday Sale 2025**, you'll get an extra 8-15% off already competitive VPS pricing.

These plans are ideal when shared hosting isn't enough but you don't need a full dedicated server.

High Performance Plans – Additional 12-17% OFF

Perfect for: Resource-intensive sites, large businesses, maximum speed

High-performance plans use dedicated CPU and RAM resources for lightning-fast loading times. The additional 12-17% discount during this sale makes premium hosting much more affordable.

Extra Perks & Features

Beyond the massive price cuts, the **Bluehost Black Friday Sale 2025** includes incredible extras that add serious value:

 **Free Domain Name (First Year)**

Save \$15-20 on domain registration. Choose from .com, .net, .org, and many other extensions.

Free SSL Certificate

Every plan includes a Let's Encrypt SSL certificate. This encrypts data between your site and visitors, boosting security and SEO rankings.

Free CDN (Content Delivery Network)

Your website loads faster globally thanks to distributed servers. This improves user experience and search engine rankings.

Advanced Security Suite

Free malware scanning, web application firewall, DDoS protection, and weekly backups keep your site safe without extra costs.

Pro Email Trial

Test professional email services free before committing. Great for business credibility.

AI Site Creation Tools:

Build a professional-looking website in minutes using Bluehost's AI-powered builder. No coding required.

WordPress Staging Site

Test changes safely before pushing them live. This feature alone saves countless headaches.

One-Click WordPress Installation:

Get WordPress running in seconds. No technical knowledge needed.

24/7 Support

Chat support on all plans, phone support on Business and higher tiers. Real humans who actually help.

30-Day Money-Back Guarantee

Try Bluehost risk-free. If it's not right for you, get a full refund within 30 days (hosting fees only).

These extras would cost hundreds if purchased separately, but they're included in your **Bluehost Black Friday Sale 2025** plan.

Frequently Asked Questions

When does the Bluehost Black Friday Sale 2025 start and end?

The sale runs from November 1st through December 1st, 2025. Don't wait until the last minute—popular plans can sell out or pricing may change.

Do I need a coupon code for the discount?

No coupon needed. The Black Friday discount is automatically applied when you [visit the sale page](#) during the promotional period.

Does the discount apply to renewals?

No, the promotional pricing applies only to new purchases. When your term ends, you'll renew at the regular renewal price listed (e.g., \$9.99/month for Starter, \$13.99/month for Business).

Can I upgrade my plan later?

Absolutely. Start with a smaller plan and upgrade as your website grows. Bluehost makes the process seamless.

Is the free domain really free?

Yes, for the first year. After that, standard domain renewal fees apply (typically \$15-20/year depending on the extension).

Conclusion

The **Bluehost Black Friday Sale 2025** is hands down one of the best hosting deals you'll find this year.

With discounts up to 70% off, free domains, premium security features, and reliable performance, Bluehost delivers exceptional value whether you're building your first blog or launching an online empire.

I genuinely believe this sale won't last long—and the pricing is so good that waiting doesn't make sense.

If you've been on the fence about starting that website project, now's the time to take action.
