

In Search of Santa

The song

Chorus Line

*We are off in Search of Santa and his Elves
Where are they hiding deep within the fells
Here we go, Here we go, looking everywhere
Throughout the forest we will seek them here or there*

*Will Rudolph and Prancer help us as we go
Or could we seek an elf our way to show
For we must search for dear Santa Claus
Here in this magical land of ours*

Repeat Chorus

*Snowy Bowy pretty crown upon her hair
Will she be the one to lead us to Santa's lair
And Noisy Nod with bells a jingling
Could bring us close to Santa's sleigh a ringing*

Repeat Chorus

*Will Tricky Dicky prove to be a joker wild
Or will Speedy Sam prove to be our man
As we start our search each and every day
For in Lapland till Santa's found we'll stay*

Repeat Chorus x2 and end
