Cookies

Cookies are small pieces of text that are stored on your computer by your browser. The information stored in a cookie can be sent back to this website when you visit the website again.

The cookies BAM Nuttall uses

BAM Nuttall sets functional and analytical cookies on this website.

Functional cookies

Functional cookies ensure the website functions properly and your settings are remembered.

Google Analytics

BAM Nuttall uses Google Analytics so Google can give us insight into how our website is used, to provide us with reports about the website and information about the effectiveness of our campaigns. The information is anonymised, we cannot identify you personally. We have signed a processor agreement with Google in which agreements have been made about the processing of the collected data. We have not granted Google the right to use the obtained information for other Google services. However, Google may provide information to third parties if Google is legally obliged to do so, or if such third parties process the information on Google's behalf. We have no influence on this. See Google's Privacy Policy for more information about data processing by Google Analytics.

Third-party cookies

In addition to the functional and analytical cookies set by BAM, other parties may also set cookies. These so-called third-party cookies are set when a website uses third-party plugins.

On this website, for example, third-party cookies are set by:

- The social share buttons; these offer you the opportunity to share content via for instance LinkedIn, Facebook, Twitter or Instagram

- YouTube; this is the video player we use.

These third-party cookies are re-read when a different site is visited.

Linked Sites

This website may provide links to external internet sites. BAM Nuttall is not liable for the use or the content of internet sites that link to this site or which are linked from it. Our Privacy Statement does not apply to any collection and processing of your personal data on or through such external sites.

Disable and delete

You can disable or delete cookies using your browser settings. If necessary, use the help function of your browser to find how this can be done.

Please note: Our website may not function at its optimum if cookies are disabled.
