LAND ACKNOWLEDGMENT

Niagara College acknowledges the land on which we gather is the traditional territory of the Haudenosaunee and Anishinaabe peoples, many of whom continue to live and work here today. This territory is covered by the Upper Canada Treaties and is within the land protected by the Dish With One Spoon Wampum agreement. Today this gathering place is home to many First Nations, Métis, and Inuit peoples and acknowledging reminds us that our great standard of living is directly related to the resources and friendship of Indigenous peoples.

“When I came to Canada, I understood half of what people said and couldn’t communicate my thoughts properly. My English is understood today because I studied in NC’s EAP program and now English has become my second language, which is a credit to my wonderful teachers. The EAP program helped me a lot with my post-secondary studies, with getting a job, and with being able to talk to people here.”
