

Brockenhurst College

International

PROSPECTUS 2021

WELCOME FROM THE Principal

At Brockenhurst College we have an excellent academic reputation and are focussed on providing the highest quality education. I believe the key to our success is our passion for education and our commitment to each individual student's progress.

Whatever your long-term career goals, we can provide you with the skills, experience and confidence to succeed. Naturally, good exam results are critical to this success.

However, many other aspects of college life will also play important roles in your development. These include the friends you will make, the activities in which you will participate, the independence you will gain, and the encouragement and support you will receive.

Every year we welcome new students from across the world and celebrate as others leave us to take their next steps. Whether they are progressing to university or starting their first job, they carry with them the benefits of their time here.

Whatever you choose to study, we pledge to make it relevant, interesting and inspirational, giving you something solid on which to build in the future.

Di Roberts

Di Roberts CBE
Principal

Why choose Brock?

Our well-equipped and modern campus in the picturesque New Forest National Park in the south of England is surrounded by ancient woodland and free-roaming animals. Importantly, we have a proud history of teaching and learning excellence that spans more than 100 years, and we record consistently high exam results in a range of academic, vocational and higher education courses. We also have a strong international outlook, with 5% of our 2,800 16-19-year-old learners coming from overseas.

INTERNATIONAL SUCCESS

At Brockenhurst College our exam results are consistently good, and we record excellent statistics for progression to university and employment. Each year, around two thirds of our international students who progress to university in the UK go to institutions ranked in the top 30*. Successful completion of some of our courses may enable you to study at one of our partner universities. These include the University of Reading, Kingston University London, Bournemouth University and the University of Southampton.

*Times Higher Education UK university rankings 2021.

We host students from all over the world:

"I chose Brockenhurst College because I wanted to study at a place which not only focused on the students' academic successes but their personal growth as well.

I have thoroughly enjoyed the British way of teaching, with mutual respect between teachers and students. All of my teachers enjoy teaching their subjects and share their first-hand experiences to further involve the students in the course.

My plan after Brock is to study Law LLB at a Russell Group university, with a focus on corporate law."

Balint Garamvolgyi from Hungary, A Levels studied: Business, History, Law.

"I have had a great experience at Brock. I'm currently studying A Levels so I can focus on subjects that are required for university. It is different in Thailand since you must study 13 subjects, therefore you have to put effort into subjects you don't need as well. At Brock all the teachers are there to help me out in each subject. I plan to do Cosmetic Science for undergraduate and Marketing for postgraduate since I want to start my own cosmetics brand."

Mook Kulsawat from Thailand, A Levels studied: Biology, Chemistry, Maths.

"At Brock I have the unique choice to study subjects such as Law and Psychology, which significantly helped me in deciding my future career. The teachers guide me when I need help but also encourage me to study independently.

I am feeling more prepared for university life and also encouraged to continue my studies here in the UK. I am going to apply for Psychology at UCL and Amsterdam University. Brockenhurst College is a great choice for a young student with big aspirations."

Felicia Cuzimuc from Moldova, A Levels studied: Criminology, Law, Psychology.

How we support you

**Paul Spanner
International Manager**

"I'm passionate about Brock and about the beautiful New Forest where we are lucky enough to live and work. I regularly travel overseas to meet with students, parents, education agents and schools to talk about the benefits of an education with us. My team and I genuinely care about each and every one of you, and the first-class support we provide has helped many international students into world-class universities."

**Melissa Murphy
Senior International Officer**

"My role is to recruit international students from around the world to study at Brock, carefully taking into consideration their future plans and progression opportunities. I spend time overseas meeting with students, parents and agents in different countries to further the College's vision for internationalisation. I look forward to seeing you around campus."

**Vanda Nutarova
International Officer**

"I'm originally from Slovakia and have been working with international students for many years. You will meet me on Skype or in person in your country during your interview before you join us. I am very enthusiastic about bringing international students to study with us and experience British culture and life in one of the most beautiful parts of the UK. I am always here to help and advise you to ensure your experience here is great."

**Xing Li
Transnational Education Manager and Confucius Classroom Manager**

"It has been my great honour to see how Brock has helped hundreds of international students over my 15 years here. My current responsibilities are to send Brock teaching and learning specialists to other countries so the students at our overseas partner organisations can benefit from our services without travelling to the UK."

**Catalina De La Vega
International Administration Officer**

"I am originally from Colombia, and, having lived in a few countries, I enjoy working within multicultural environments. I have been working with international students for over ten years, and having been an international student myself, I can relate to students who are pursuing further education away from home. That is why I have a real passion for helping you to have the best experience at Brock and in the UK."

**Samantha Ertle
International Student Experience Officer**

"I'm responsible for ensuring the welfare of our international students, as well as helping them have the best possible experience at Brock. Having lived overseas, I understand the challenges of life in a new country, but I also know it will leave you with lots of great memories. I will arrange your host family placement and will meet you in tutorials or the International Office to help you with any problems. I also support our international Chinese students on the Elite Programme to achieve their potential."

**Jo Buttle
International Administration and Accommodation Officer**

"One of my key roles is to arrange Homestay placements and make sure our students have all the support and guidance they need while studying at Brock. I'm dedicated to making sure the student experience is a safe and happy one."

**Susan Sun
Director of Brock China Office**

"With more than 20 years of experience helping Chinese students study abroad, I am very passionate about recruiting students to study at Brock. As a leading state college in the UK, Brock has so many great resources to offer. I am also very pleased to be able to support the Chinese students on the Elite programme and guide them to use the college resources, achieve their best and further their education at their dream university."

BROCK HERITAGE

The organisation that became Brockenhurst College began as a small pupil-teacher centre with 18 pupils in 1913. The first long-term Headteacher was the formidable Miss Emma Clara Ward, whose attention to detail, emphasis on discipline and focus on high-level achievement quickly translated into good exam results.

1910s

In the early 1930s the grand sum of £32,000 was spent on improving the school's facilities. Miss Ward worked to improve educational provision until her death in 1935. She was succeeded by Mr R.H. May, who aimed to modernise learning and broaden pupils' horizons through visiting lecturers and trips abroad.

1920s

1930s

A good reputation saw pupil numbers surge to 155 by 1921, and it was not long before the pupil-teacher centre was renamed Brockenhurst County School. By the mid-1920s the new school had a hall, gym, kitchen and woodwork room. Momentum was building.

By the 1950s the village of Brockenhurst was home to the largest grammar school in the country, with more than 1,000 pupils. Headteacher Dr L.R. Wood introduced the motto 'Inter Silvas Quaerere Verum' (to seek truth amidst the trees), which remains to this day.

1950s

Wartime saw an Air Training Corps, Girls Training Corps and an Army Cadet Force formed at the School. Despite the upheaval, exam results remained good, and by 1949 pupil numbers had reached 700. Dr L.R. Wood took over as Headteacher in 1949. Among other things, he introduced a focus on career planning.

When you choose Brockenhurst College you are choosing to belong to a proud tradition of academic excellence that spans more than a century. Here is a decade-by-decade summary of how we became the unique learning institution we are today.

In 1961 the School was educating 1,130 pupils and was rated highly. Her Majesty's Inspectorate noted in its report: 'This is plainly a good school both in the general standard of its academic work and in the quality of its life.' In 1969 decision-makers opted to phase-out the lower school.

1960s

In 1984 the ever-expanding college finally became known as Brockenhurst College. Importantly, it would now allow students to select from a wide range of subjects instead of only the standard curriculum subjects. Later in the 1980s it merged with the Central New Forest Adult Education Institute. Mr M.J. Snell became Principal in 1989.

1980s

As Brockenhurst Sixth Form College was established, a new Headteacher took over. Mr A.J. Baker placed emphasis on young people's roles in society and the development of a social conscience. By the middle of the decade the College taught post-16 learners only. This education was provided by right and not by selection.

1990s

The 1990s was a time of major investment at Brock, with a series of building programmes undertaken. There were also many curriculum innovations, including the introduction of educational provision for adults with learning difficulties and the incorporation of three more adult learning institutes into the College.

2000s

2010s-2020

Since 2010 Brock's facilities have expanded even further, with the opening of a new STEM Centre in 2016. There is also now an enhanced focus on progression and employability. The College remains a leading force in education locally and consistently records exam results that exceed the national average.

TEACHING & RESULTS

A UK education is recognised by many employers, universities and governments around the world as an indication of quality in a young person. Studying with us will give you the knowledge and skills on which you can build for success in the future, as well as an authentic British experience.

Excellent results

Our exam results are consistently good. In 2020 our overall international pass rate was 100%, with 78% of students achieving A*-C grades across all subjects. Detailed exam results for 2020 are available at www.brock.ac.uk/achievements

Secure a place at a top university

All our international students can progress to a top university. In 2020, 60% of international students who went to a UK university from Brockenhurst College gained places at top 30* ranked universities, including: University College London, Imperial College London, the University of Southampton, Durham University and the University of Liverpool

*Times Higher Education UK university rankings 2021.

Partner universities

We have close links to the University of Reading, which is home to the renowned Henley Business School. Other partners include Kingston University London, Bournemouth University and the University of Southampton. Successful completion of some of our courses may enable you to progress directly to these institutions.

GROUP
UNIVERSITIES

What is the Russell Group?

The Russell Group is an internationally recognised association of 24 prestigious British public research universities, which are well known for their academic excellence and selective admissions. They include: University College London, Imperial College London, the University of Nottingham and the University of Southampton.

Matrix Standard

We have held the Matrix Standard since 2004 for our information, advice and guidance services for students. In 2007 we won the Matrix Excellence Award in recognition of our outstanding achievements. In fact, we are one of very few colleges in the country to have achieved accreditation for all areas of our work.

Quality assurance for higher education

We have been endorsed by the Quality Assurance Agency, which examines how well UK educational institutions maintain standards in higher education.

ENRICHMENT

We want you to get the most out of your time here at Brock, which is why we provide a range of extra activities to help enrich your college experience.

Enrichment is separate to your studies and represents a way to pursue your interests through extra-curricular learning.

It is all about facilitating a holistic approach to your overall further education experience by nurturing your mind, body and soul.

Enrichment pursuits are largely about meeting new people, discovering new interests and

having fun. They can also lead to extra qualifications that will support your UCAS application.

The idea is to give you a choice of stimulating pursuits to follow alongside your courses, helping to support your overall development.

So, whatever you like doing away from the classroom, you can find an activity that suits you.

Enrichment options:

- Adobe Graphics
- Amnesty
- Animation
- Archaeology
- Artificial Intelligence
- Brock2Kenya
- Brock Studio Sessions
- Choir
- Classical Production
- Colouring for Calm
- College Newspaper
- Creative Writing
- Cybersecurity

- Psychology
- Robotics
- Students' Union
- Sustainability
- Textiles
- Technical Theatre
- Yoga

Students' Union

Our Students' Union (SU) is your chance to get involved with decision-making at the College and bring about positive change.

The SU meets every week to champion the student voice. It organises and runs Student Parliaments and takes suggestions and queries forward to the College's Senior Management Team.

There are several SU committees, with remits including Education, Health & Welfare, Events and the Environment.

Executive SU members also initiate charitable fundraising drives and organise student events.

Every year the student community elects a new President and Vice President who work from an office on our main campus.

LOCATION

The UK is well known around the world for its wealth of different communities, historical landmarks and world-class cultural events. Here in the South you can enjoy a mix of cosmopolitan cities, country villages, and the New Forest National Park with its ancient woodland and free-roaming ponies, donkeys and cattle.

Our 36-acre campus is on the coastal side of the New Forest, and is a friendly, safe and peaceful environment in which to learn. Brockenhurst village is a five-minute walk away and has a mainline train station, enabling you to travel to London in under two hours.

Fifteen minutes away by train is the Russell Group university city of Southampton, which is also one of the largest shopping destinations in the region. In the opposite direction is the famous seaside resort town of Bournemouth.

Travel and transport

Travelling to the College is easy thanks to excellent transport links. Importantly, we try to ensure all host families live close to public transport routes.

Southampton and Bournemouth both have international airports serving European destinations, and cross-channel ferries run from Poole and Portsmouth.

BROCK CAMPUS

- 1** Thirty-six-acre campus in the New Forest National Park.
- 2** Twenty-seven acres of playing fields.
- 3** Over 300 student car parking spaces.
- 4** All-weather astroturf pitch for football and hockey.
- 5** Fully-equipped Sports Centre with Gym and Fitness Studio.
- 6** STEM Centre packed with the latest learning technology.
- 7** Engineering Workshops with up-to-date equipment.
- 8** Computing and IT labs with Microsoft Imagine Academy and Cisco Systems input.
- 9** Photographic Studio including dark room.
- 10** Visual Arts Hub with separate areas for each specialism.
- 11** Industry-standard training kitchens and fine-dining restaurant.
- 12** Dedicated science laboratories set up for a range of experiments.
- 13** Learning Resources Centre run by trained and experienced staff, featuring group study rooms and personal workspaces.
- 14** Specialised classrooms for English, Humanities, Modern Languages and Childcare courses.
- 15** Hard Brock Café open all day for food, drink and socialising.
- 16** Reflections Room for quiet contemplation and prayer.
- 17** Business and IT Suites.
- 18** Recording Studio with industry-standard hardware and software.
- 19** One-hundred seat Kemball Theatre available for all kinds of performances.
- 20** Highwood Nursery open to college community and the public.

ACADEMIC SUPPORT

You will benefit from expert teachers who have an in-depth knowledge of exam requirements. All our teachers are specialists in their subjects and many have professional experience in their subject fields. Importantly, they will strive to inspire and motivate you so you can achieve your full potential.

International tutorial programme

When you arrive, you will be given a full induction to help you settle. Regular international tutorials will be timetabled, giving you access to both academic and pastoral help and support.

English classes (ESOL)

Your timetable will include ESOL English classes to help support your UK learning experience. All top universities in the UK and overseas require a high level of English, which is why these classes can aid you in both the short and longer-term. We also offer specific exam preparation support qualifications such as IELTS and TOEFL.

Student Support Manager (SSM)

Your SSM represents a friendly point of contact for academic and personal issues. He or she will provide you with information about events, your progression and will help you with your UCAS application if you plan to remain in the UK for further study. Each SSM is focused on enabling you to reach your full potential.

University and careers guidance

There will be opportunities to visit universities and attend our Higher Education Fair on campus, which is attended by representatives of around 70 universities. You can also receive guidance about the process of applying to universities in the UK, including the universities of Oxford and Cambridge. In addition, you will have access to one-to-one careers advice as part of our Next Steps programme.

Parent Portal

We have a Parent Portal website, which provides live details about all aspects of your Study Programme. Attendance and progress reports are available and tutors may be contacted via the portal.

Student services

Our Student Services team is on-hand to support all students. Team members will be happy to help with a range of topics, including: finance, health and wellbeing, learning difficulties and personal issues.

“At Brock I have the chance to experience a different kind of school system. When I have questions I can ask my teachers and they help me very well. The number of students in class is small and the teachers focus on every single student. I have really enjoyed my time at Brock.”

**Pauline Burfeindt, Germany,
High School Experience**

ELITE SUPPORT PROGRAMME

The Elite Support programme is a specialist added-value service that is designed to help ensure you achieve your potential. It is a total-care package that provides an extra layer of support and encouragement to enable you to adapt to the UK education system smoothly. It runs with both our Pre-A Level Plus courses and our full A Level courses. You may choose to participate in the programme for one or two years.

On our Elite Support programme you will benefit from the following:

- A specialist Elite Tutor to focus on your academic needs.
- Access to additional academic support outside normal college hours.
- Regular written feedback to your parents on your performance and attendance.
- A termly video link update for your parents.
- Frequent progress reviews and constant monitoring by your Elite Tutor.
- Educational visits and seminars to boost your university prospects.
- Extra pastoral care from dedicated officers.
- Access to our Aspire programme to help you aim for places at top universities.

Elite Support fees are payable in addition to the standard course fees.

AGE: 16+

COURSE DURATION:

Six months (alongside Pre-A Level Plus) or one – two years (alongside A Level)

START DATE:

September 2021, January 2022
(alongside Pre-A Level Plus)

September 2021 (alongside A Level)

HOURS PER WEEK:

Three hours of tutorials plus out-of-hours support.

TUITION FEES:

£4,000 alongside Pre-A Level Plus (six months)

£5,750 alongside A Level (one year)

“The Elite Support programme feels like a family. Whenever I have any problems, the tutors are always ready to help. The extra help makes me fully understand the College information and I joined the Duke of Edinburgh programme under the guidance of the tutors. I hope that with the support of the Elite Support programme I will achieve the best that I can.”

Anthony Sun, A Level and Elite Support programme.

ASPIRE ACADEMY

Our Aspire Academy is about nurturing your abilities and giving you the academic support you need to fulfil your potential. You will also benefit from university outreach initiatives, field trips, Enrichment opportunities, summer school options and intercollege competitions.

As an Aspire student you will receive a detailed framework that will enable you to grow into the learner and ultimately the professional you want to be. We recommend you adopt a holistic approach to pursuing success, and all your Aspire tutors will strive to instil a sense of optimism, along with a can-do attitude.

Naturally, it helps if you know what you are aiming to achieve; however, many learners prefer to keep their options open at further education level. Therefore, do not worry if you are still undecided. We will help you develop that all-important sense of vision for your future.

How to apply

You can apply for our Aspire Academy at enrolment. We will expect you to follow relevant Enrichment opportunities of your choice. We will also encourage you to become a Student Ambassador, which will help you develop your public speaking skills and confidence.

University applications

We aim to prepare you for the rigorous application, testing and interview processes of the most respected universities.

Aspire tutoring

Each year 42% of our Aspire students progress to Russell Group universities. We have collaborative projects with Oxford and Cambridge, and also the more local universities of Southampton, Bournemouth, Reading and Winchester, to help you make a successful transition to higher education.

Importantly, you will be in a specialised tutor group to help you develop and consolidate your knowledge and skills, as well as grow both in confidence and as a person.

Oxbridge support

If you study STEM or humanities subjects and are aiming to progress to an Oxbridge college, we have dedicated Oxbridge tutor groups to help you make a successful application.

We also provide interactive workshops to help you develop your critical thinking skills, prepare you for selection interviews and extend your learning beyond the classroom.

Throughout the year we provide specialist support and guidance, including seminars run by representatives of Oxbridge colleges.

Masterclasses

We offer a series of half-termly workshops led by the College's senior team, which are designed to develop your leadership potential. These are opportunities to challenge yourself and work in teams drawn from different subject areas.

Medical Matters

This is a programme of weekly meetings for students who aspire to work in the medical professions. Expert advice and guidance will be provided on how to make a successful application, and you will discuss and debate current issues in medicine.

Debating opportunities

You can join our Debating Society or take part in the Students' Union Student Parliament. Both options represent ideal opportunities for you to hone your skills in the discussion of contentious topics.

Growth Mindset

We want to work with you to develop the mindset you need to reach your objectives. Indeed, we want to help you develop the resilience and confidence to enable you to be successful in your exams and interviews.

Brock Scholars Programme

You will be asked to take part in a peer-assisted learning programme, which is designed to help boost your grades.

#Results based on students who joined us with an average of grade 6 at GCSE.

Brock News

Six Brock students from the same class receive Oxbridge offers

Six Brockhurst College students from the same A Level Physics class have received conditional offers to study at Oxford or Cambridge.

Sixth Form students, Anna Lawes, Seb Millar, Toby Henley-Smith, Burtie Spry, Henry Trunley and Jamie Shaw were given the good news following a rigorous selection process.

This is the first time six students from a single class at Brockhurst College have achieved the distinction.

The success doesn't end there as three international students have also been offered Oxbridge places. Xin Kang has an unconditional offer from Cambridge, whilst Joshua Reiners and Mi Trinh have received conditional offers.

Burtie Spry, who has an offer to study Physics at Oxford, said: "I'm so excited to receive my offer from Oxford and can't wait to start in the autumn."

"I was part of the College's 'Fast Track' scheme that stretched me to excel to my full potential. I've really enjoyed my time at Brock and the quality of teaching has been second to none."

Physics Lecturer Alex Crutchley commented: "All 21 students in my 'Fast Track' Physics group have worked really hard."

"I am so proud that more than a quarter of them now have conditional offers for Oxford or Cambridge University."

Principal Di Roberts CBE said: "We are absolutely delighted for the students who have been offered places from such prestigious universities."

"Each year a number of our students receive offers from top institutions, but to have so many from one class really is something special."

STEP and AEA Maths support

We provide individual and small group support to students wishing to sit STEP, AEA and other special exams. Support will involve taught sessions in the lead-up to exams, as well as access to a range of practice materials and other resources on our e-learning website.

If you are studying Maths, you will be given access to a wide range of support materials through the Further Maths Support programme and Integral Maths website.

Extended Project Qualification (EPQ)

The EPQ gives you the opportunity to research an area of your choice beyond your A Level courses. It is equivalent to one AS Level (UCAS points) and can be studied in your second year.

You will develop your academic skills through the process of planning and refining your research to make a final presentation. Your project can be either a research project or an artefact such as a piece of music or a film script.

You will be taught and mentored in small groups. Every year students complete scientific and social science-based projects. Past projects have included: The impact of pesticides on bee populations; Is the NHS being privatised by stealth?; Existentialism in the work of Dostoyevsky; Women in Victorian society.

Andy Sung,
South Korea,
now studying
Aeronautical
Engineering at
Imperial College
London

"I spent two years at Brock doing my A Levels. The College provides a very welcoming environment for international students and is also a fantastic institute in terms of education. Teachers are genuinely passionate about their jobs and support students regardless. The experience surely developed me into a better-rounded individual."

SPORTS ACADEMY

You can continue playing the sports you love and develop as an athlete by joining our Sports Academy, where you will benefit from regular coaching, training and competition.

Currently we run academies in basketball, football, hockey, netball and rugby, enabling you to enjoy sport alongside your studies.

You will train twice a week and represent the College in county, regional and national events, giving you the constant thrill of hard-fought competition.

Importantly, all training and competing will be scheduled so it does not clash with your studies.

Basketball

Through our Basketball Academy you can develop your skills and general fitness under coaches who have experience of competing both nationally and internationally.

In the past our teams have won leagues and been cup semi-finalists. One member was even invited to join the prestigious Impact Basketball Academy in Las Vegas.

Football

Our UEFA-qualified coaching team provides a first-class training environment for all students.

Our five teams compete across the Hampshire College Leagues, as well as in regional and national cup competitions.

Hockey

Our Hockey Academy follows a training and playing schedule based on the England Hockey long-term athlete development programme.

We run three hockey teams: men's, women's and mixed, which gives you the chance to excel at more than one form of the game.

Netball

Netball at Brock is all about developing ball skills, matchplay ability and fitness, as well as having fun.

Our Netball Academy gives you the chance to play in the Hampshire College League and participate in cup competitions both regionally and nationally.

Rugby

Our Rugby Academy has a fearsome reputation for playing high-tempo rugby with organisation, precision and commitment. As such, our training and game play will improve any player.

We compete in a range of league and cup competitions, which means you can test yourself against some of the best sides around.

Florencia Rodriguez, Chile, AFC Bournemouth Female Elite Player Programme, High School Experience

"Having the opportunity to be part of the team has allowed me to grow as a player and at the same time meet people who are so excited about football that every day I look forward to the practice time."

AFC Bournemouth Female Elite Player Programme

We work with AFC Bournemouth so women footballers can combine academic studies with a comprehensive Football Education Programme.

The Female Elite Player Programme will allow you to access high-quality coaching, with a range of sessions available each day, plus regular Wednesday fixtures.

Meanwhile, your academic curriculum can be tailored to match your ambitions, with a range of A Levels and BTEC courses on offer.

HOMESTAY ACCOMMODATION

When you arrive in the UK, you will be welcomed into your new home and, importantly, be treated as a member of the family.

Homestay accommodation is available to all international students and is organised by the College's International Office. You will live with a local British host family and gain a realistic insight into British life. All our hosts are selected carefully and their homes are inspected regularly.

Homestay accommodation provides:

- A traditional, English-speaking home environment.
- A private, furnished room.
- Two meals a day and three meals a day during weekends and holidays.
- Internet access.
- Travel pass, where applicable.*
- Laundry opportunities once or twice a week.
- Proximity to the College based on a commute time of 30 minutes.
- Very few additional living costs.

We aim to provide a safe and supported experience of living in the UK. Your Homestay host will give you advice about staying healthy and safe while you gradually become more independent. You will be able to call them at any time for support, and there is a 24-hour College Helpline in case of emergencies. Your Homestay host can also provide reassurance about your progress to your parents.

*Your travel pass is not normally available until after your induction week.

David Ormandy from Slovakia, A Levels and Vocational studied: Psychology, Sociology, Performing Arts.

"I got to live with the best host family that I clicked with instantly, and I enjoyed the overall experience much more by living in a Homestay. It benefited me both personally and socially, making me much more open and respectful. Other benefits include perfecting my language skills and getting a taste of British culture. The main benefit of living in a Homestay is that you'll make friendships that may last forever."

Catalina Dascalescu from Moldova, A Levels studied: Business, Media Studies, Psychology.

"Being in a Homestay was an awesome experience of learning and embracing the English culture. My host family was kind and helped me feel like part of the family and involved me and my host sisters in some of their activities, such as hiking through the New Forest National Park. Having conversations about hobbies, lifestyle and interests is a great opportunity to improve language skills while having fun and developing friendships."

High School Experience

The High School Experience is a flexible, short-stay learning experience through which you can choose to stay with the College for a term, two terms or a term and a half.*

Students usually choose three academic subjects from a wide variety of options, which will be supplemented by specialised English classes. International students undertaking the High School Experience will participate in lessons alongside British students completing their A Level studies, meaning they will benefit from fully immersing themselves in British culture. As a student you can also participate in various extra activities and benefit from the College's Enrichment programme.

All High School Experience students stay with our Homestay hosts, located in the area between Brockenhurst and Bournemouth. A private room, half-board over the week and full-board over the weekend, plus free days and a travel pass, will be provided for every student. An academic transcript with feedback from teachers and confirmation of studies will be provided at the end of this programme.

Visit our website www.brock.ac.uk/international for more details. *Ask us about the possibility of a shorter stay.

AGE: 16 – 19

COURSE DURATION:
One week – One year

START DATE:
September 2020 or January 2021

HOURS PER WEEK: 15 – 20 hours

ENTRY REQUIREMENTS:
Entry is by interview. We normally expect:

- Good track record of academic study.
- Good conversational level of English.

QUALIFICATIONS GAINED:
Brockenhurst College Attendance Certificate

It is also possible for EU/EEA students to study with us for a full academic year, or even a full two-year A Level programme, and come away with external qualifications. Students wishing to study for at least one year may have to study additional qualifications in Maths and English alongside their A Levels.

Tuition fees

AUTUMN TERM Sept 2021 – Dec 2021	£4,250
WINTER TERM Sept 2021 – Feb 2022 Half Term	£5,250
SPRING TERM Jan 2022 – Easter 2022	£3,500
AUTUMN & SPRING TERM Sept 2021 – Easter 2022	£5,750

Tuition fees and accommodation package

AUTUMN TERM Sept 2021 – Dec 2021	£7,250
WINTER TERM Sept 2021 – Feb 2022 Half Term	£9,500
SPRING TERM Jan 2022 – Easter 2022	£5,750
AUTUMN & SPRING TERM Sept 2021 – Easter 2022	£11,250

English Language

We provide an intensive English Language course designed to help you develop your skills while introducing you to aspects of British culture. Whether you are aiming to develop your English to a level where you can study a course taught in English, or you simply wish to improve your abilities, this course will be of great benefit.

English as a Foreign Language (EFL)

You can develop your fluency and accuracy in reading, listening, speaking and writing thanks to this EFL language course. You will also work on pronunciation, grammar and vocabulary.

Your EFL course will be supplemented by both your specialist subject study and your Enrichment programme. Together these different elements will give you a solid basis for progression. Please see our website www.brock.ac.uk/international for more details.

AGE: 16+

COURSE DURATION:

Two weeks – three terms

START DATE:

September 2021, January 2022, April 2022, or for short term study on any Monday.

HOURS PER WEEK:

- 15 hours per week of English Language and study skills support specifically designed for international students.
- Enrichment programme options.

ACADEMIC REQUIREMENTS:

Entry is by interview. While there are no specific academic requirements for this course, applicants are expected to provide their past two years of academic transcripts.

ENGLISH LANGUAGE REQUIREMENT:

A good conversational level of English.

ASSESSMENT METHOD:

- College based exams coursework assessment.
- IELTS exams.

QUALIFICATIONS GAINED:

Brockenhurst College Certificate.

Tuition fees

You can join the EFL course for shorter periods at any point. The tuition fee is £350 a week.

Spring, Summer and Winter School Courses

Our Spring, Summer and Winter School courses give you an authentic British cultural and study experience during your school break. You will participate in a range of classes, activities and trips to improve your English language skills over a period of one to four weeks.

We offer a range of options for students, from traditional summer and winter schools (English language plus cultural trips and activities) to full 'immersion' courses (studying in academic classes alongside UK students).

AGE: 12+ (depending on course)

COURSE DURATION: 1 – 4 weeks

START DATE:

Various start dates in Spring, Summer and Winter.

HOURS PER WEEK:

15 hours per week of English, plus activities or specialist classes depending on your course.

ENGLISH LANGUAGE REQUIREMENT:

A good conversational level of English.

QUALIFICATIONS GAINED:

Brockenhurst College Certificate.

TUITION FEE:

Fees vary depending on the programme, but will include full-board accommodation, daily transport and excursions. Contact us for a quotation.

“Brock offers a great environment to learn, have fun and make friends. Before joining Brock I wasn't sure about continuing my studies in England, but now I know that I am able to. All teachers were friendly and willing to help at any time.”

Susie Yang, China, Brock Summer School.

SECONDARY COURSES

Our secondary courses provide longer study options, enabling you to develop confidence in English and improve your study skills. These are high-quality academic and vocational courses, which aim to help you build a good foundation of knowledge before you progress to more advanced study. They will also assist you in making the right choices about higher education and your future career.

Pre-A Level Plus course

Pre-A Level Plus is a six month, super-intensive A Level preparation course that comes with a guaranteed place to study A Levels if you perform well.

You will study a mixture of Mathematics, Sciences, Business and Accounting, supported by intensive English language classes, to help you develop a broad understanding of study in the UK. You will also have the chance to sample some Enrichment activities.

AGE: 16+

COURSE DURATION: Six months

START DATE: January 2022

HOURS PER WEEK: 25 hours

ACADEMIC REQUIREMENTS:

Completed Junior High School with a good level of attainment. We will require your past two years of academic reports.

ENGLISH LANGUAGE REQUIREMENT:

Good conversational level of English, with good written English.

ASSESSMENT METHOD:

Regular tests and teacher testimonials.

QUALIFICATIONS GAINED:

Brockenhurst College Pre-A Level Plus Certificate.

TUITION FEE:

£7,000. This course is open to both EU/EEA and non-EU passport holders.

PACKAGE FEE:

£12,000. Package includes all tuition, accommodation and travel.

“Brock has wonderful staff who are always very helpful. My teachers are always happy to answer my questions and help me.”

Mike Zhang, China, Pre-A Level Plus.

A Level courses

A Levels are internationally recognised advanced qualifications for university entry. To achieve a full A Level you will need to pass examinations at the end of your second year of study. Some subjects offer you the opportunity to achieve an AS Level certificate at the end of your first year.

If you have enjoyed your junior high school or secondary study (GCSE equivalent), A Levels will build on your existing knowledge and understanding. Three or four A Levels is a requirement for most universities in the UK and around the world.

Choose any combination from almost 50 subjects:

- Animation
- Applied Science
- Biology
- Business
- Chemistry
- Chinese
- Classical Civilisation
- Computer Science
- Criminology
- Dance
- Drama and Theatre Studies
- Economics
- Electronics
- English Language
- English Language and Literature
- English Literature
- Environmental Science
- Film Studies
- Fine Art
- French
- Geography
- Geology
- Graphics
- History
- Information Technology
- Law
- Mathematics
- Mathematics (Further)
- Mathematics (Core)
- Media Studies
- Music
- Music Technology
- Performing Arts
- Philosophy
- Photography
- Physical Education
- Physics
- Politics
- Product Design
- Production Arts
- Psychology
- Sociology
- Spanish
- Textiles

“Brock offers a wide range of classes so everybody can choose what they are interested in. To be able to choose subjects based on my interests and my future university studies is a big advantage. Every teacher cares about me and gives me advice. During my ESOL classes I learn a lot, which helps me academically.”

**Hinano Tsutsui, Japan,
A Level studied: Philosophy,
Psychology.**

You normally choose three subjects to study over two years. You may also choose to study your native language as an additional subject, if it is available.

ESOL classes – English for Speakers of other Languages

In addition to your A Level subjects, you will receive complementary English language classes. These classes run alongside your other subjects to support you throughout the year.

In-session Enhancement English Language Course

If you need more support, or if you are aiming for a university with high English entry requirements, this course provides additional language and study skills tuition.

It will run alongside your A Level or Vocational course throughout the year (in addition to your English language classes) to give you increased language and study skills support.

The tuition fee is £2,750 per year.

After completing your A Levels you can study for a range of degrees at top universities in the UK and overseas.

- We have a 100% overall A Level pass rate among our international students.
- In 2020, 56% of our international students gained A*-B grades.
- In 2020, 78% of all our international students achieved A*-C grades across all subjects.

AGE: 16+

COURSE DURATION:
Two years (three terms per year)

START DATE: September 2021

HOURS PER WEEK:
Approximately four-and-a-half hours per week for each A Level subject, plus an equal amount of self-study.
Three hours per week English Language (ESOL) support for all students until you achieve IELTS 6.5.

ACADEMIC REQUIREMENTS:
You should have completed at least one year of senior high or secondary school with a good level of attainment. We will require your past two years of academic reports.

ENGLISH LANGUAGE REQUIREMENT:
IELTS 5.0 overall with no band below 5.0 or equivalent UKVI-approved English Language certificate.
Students with a high academic performance but with an overall IELTS score of below 5.0 may be offered the opportunity to join one of our English support courses, which will allow them to meet our English entry requirements.

ASSESSMENT METHOD:
Students are assessed by GCE Advanced Level examinations. Some subjects require coursework assessments as well.

QUALIFICATIONS GAINED:
Typically three full A Levels.

TUITION FEE: £10,250 per academic year

Fast Track A Level

The Fast Track A Level option is available to a limited number of gifted and highly motivated students who wish to complete A Levels in three or five terms.

This programme is designed for students who can demonstrate strong previous academic performance and have a high level of English.

You will be able to study a limited number of A Levels from the following key subjects:

- Mathematics
- Physics
- Chemistry
- Biology
- Economics
- Business

You will also benefit from English language classes that will fine-tune your skills to the level required by the best universities.

AGE: 17+

COURSE DURATION: Three or five terms

START DATE:

September 2021 (three terms)
January 2022 (five terms)

HOURS PER WEEK:

Approximately nine hours per week for each A Level subject, plus an equal amount of self-study.

One and a half hours per week English language (ESOL) support for all students until you achieve IELTS 6.5.

ACADEMIC REQUIREMENTS:

You should be a high achiever in your chosen subject areas. You should have completed a minimum of two years of senior high school. We will require your past two years of academic reports.

ENGLISH LANGUAGE REQUIREMENT:

IELTS 5.5 overall with no band below 5.0 or equivalent UKVI-approved English Language certificate.

Students with a strong academic performance but with an overall IELTS score of below 5.5 may be offered the opportunity to join one of our English support courses, which will allow them to meet our English entry requirements.

ASSESSMENT METHOD:

Students are assessed by GCE Advanced Level examinations. Some subjects require coursework assessments as well.

QUALIFICATIONS GAINED:

Typically three full A Levels.

TUITION FEE: £13,000 (three terms)
£17,500 (five terms)

“The major difference between Brock and my school in Hong Kong is the teaching methods. At Brock the teachers explain clearly whenever I have any points that I don’t understand and they prepare students for how the exams will be. Other than this, students also discuss questions about a particular subject together in groups, which in Hong Kong normally doesn’t happen.”

Yanni Wong, Hong Kong, A Level.

Vocational courses

An alternative to A Levels with a more practical focus

Vocational courses help you develop the knowledge and skills to work in a specific job or trade. They lead to internationally recognised qualifications and can open doors to employment or university.

If you have done well in your GCSE (or equivalent) studies and wish to begin a practical course, our two-year Vocational programme is designed to prepare you for the career you want.

Importantly, these courses respond to the specific needs of employers and enable you to progress to university. You will be taught to develop practical and theoretical skills, and will have the chance to complete a work placement. Also, you will be assessed mainly through assignments rather than exams.

We offer courses in the following subject areas:

- Art and Design
- Business
- Children's Play, Learning and Development
- Engineering
- Health and Social Care
- Information Technology
- Media
- Music
- Performing Arts
- Photography
- Sport and Exercise Science
- Sport Performance and Excellence
- Travel and Tourism
- Uniformed Protective Services

ESOL classes – English for Speakers of other Languages

As well as your main studies, you will receive complementary English language classes. These classes run alongside your other subjects to support you throughout the year.

In-session Enhancement English Language course

If you need more support, or if you are aiming for a university with strict English Language entry requirements, this course will provide additional language and study skills to enable you to meet your objectives. (see page 29 for more details).

By completing the two-year programme successfully, you will be awarded a Level 3 Extended Diploma (equivalent to three A Levels).

In 2020, students who completed Vocational courses entered professions such as hospitality management, social work and physiotherapy.

“I am currently studying Level 3 Performing Arts. I am very happy with my programme. We do many different units during the year that are really interesting. My main focusses are dance, acting and singing. I think this course can fully prepare students for their future whether they decide to continue with their education or decide to find a job afterwards.”

Ivana Andrejkova from Slovakia,
Vocational course studied: Performing Arts.

100% PASS RATE

AGE: 16+

COURSE DURATION:

Two years (three terms per year)

START DATE: September 2021

HOURS PER WEEK:

Approximately 15 hours per week including all work placement visits.

Three hours per week English Language (ESOL) support until you achieve IELTS 6.5.

ACADEMIC REQUIREMENTS:

You should have completed at least one year of senior high or secondary school with a good level of attainment. We will require your past two years of academic reports.

ENGLISH LANGUAGE REQUIREMENT:

IELTS 5.0 overall with no band below 5.0 or equivalent UKVI-approved English Language certificate.

Students with a high academic performance but with an overall IELTS score of below 5.0 may be offered the opportunity to join one of our English support courses, which will allow them to meet our English entry requirements.

ASSESSMENT METHOD:

Students study real-life, work-based case studies and complete projects and assessments that contribute to achievement against a set of goals.

QUALIFICATIONS GAINED:

Level 3 Extended Diploma.

TUITION FEE: £10,250 per academic year

University preparation courses

Foundation Year courses are designed to provide you with detailed subject and language knowledge, and were specially created for international students.

Study skills coaching and advanced English language training will together ensure you achieve your full potential.

These courses offer you a supportive learning environment to aid your transition from college to university. Importantly, independent learning skills will be high on the agenda.

Choose from the following specialist pathways:

International Foundation Year in Business and Finance

International Foundation in Science and Engineering

Every year we run Higher Education Fairs that attract representatives of approximately 70 universities. Here is a list of institutions that attended the last event:

- Aberystwyth University
- ACM (Academy of Contemporary Music)
- AECC University College
- Arts University Bournemouth
- Bangor University
- Bath Spa University
- Bournemouth University
- Buckinghamshire New University
- Cardiff Metropolitan University

- Winchester School of Art (University of Southampton)

International Foundation Year in Business and Finance

This business and finance course is specifically designed for international students whose first language is not English. Importantly, it will give you the academic support to prepare you for degree-level education.

As well as developing an understanding of key business and finance-related concepts, you will learn to apply this knowledge in a real-world context. Reading and analysing the business and financial news to broaden your subject knowledge will be a key learning component.

By the end of the course you will be able to do the following:

- Analyse current issues and trends based on contemporary theories and concepts.
- Apply concepts in both case-study and real-world business scenarios.
- Critically evaluate business strategies, objectives and techniques.
- Identify and utilise appropriate business and finance tools.
- Present balanced arguments and solutions to real-life scenarios.
- Demonstrate the required skills of academic reading, listening, speaking and writing.
- Choose from a selection of modules, each worth 40 credits. Your choice will be based on your academic background and your intended degree programme. You will need to gain a total of 140 credits to complete the course.

COMPULSORY MODULE	CREDITS AND OUTLINE
Academic study skills	20 credits. This consists of one hour of tuition per week and is divided into two modules. The aim is to extend your academic study skills through cultural studies. References to historical periods and characters often appear in academic texts.

CORE MODULES (you need to choose 120 credits)	CREDITS AND OUTLINE
Academic English for Foundation Students This module will be compulsory for all students with IELTS overall score below 6.0.	40 credits. There will be five hours of tuition per week in listening, reading, speaking, writing and vocabulary in a range of academic areas. You will reflect on your progress and be involved in setting learning targets.
Introduction to business and management	40 credits. The module covers the following units: business and enterprise, business finance, people in business, operations, marketing, internal and external change in a business context, and managing change.
Principles and applications of economics	40 credits. This module covers the following units: fundamental principles in economics, microeconomics, macroeconomics, international economics and development economics.
Concepts of mathematics	40 credits. The module covers the following units: foundations in algebra, number, geometry and trigonometry; building mathematical skills in algebra, number, geometry and trigonometry; applying mathematical skills in an investigation; practical skills in mathematics.

Successful completion of this course guarantees you a place at the University of Reading, home of the internationally-renowned Henley Business School.

Successful students may progress to Kingston Business School, which is one of the largest business schools in the UK.

Graduates may now progress to any degree course at the Faculty of Business, Law and Art at the University of Southampton.

A wide range of degrees at Bournemouth University are available to our International Foundation Year students.

AGE: 17+

COURSE DURATION: One year (three terms)

START DATE: September 2021

HOURS PER WEEK:

Approximately 20 hours per week of lectures and seminars.

Approximately 25 hours per week guided independent study.

ACADEMIC REQUIREMENTS:

You should have completed two or three years of senior high or senior secondary school with a high level of attainment in related subjects.

ENGLISH LANGUAGE REQUIREMENT:

IELTS 5.0 overall with no band below 5.0 or equivalent UKVI-approved English Language Certificate.

Students with a strong academic performance but with an overall IELTS score of below 5.0 may be offered the opportunity to join one of our English support courses, which will allow them to meet our English entry requirements.

ASSESSMENT METHOD:

You will be assessed through a mixture of regular coursework and assessments both during and at the end of each module.

QUALIFICATIONS GAINED:

Graduation Diploma with direct progression to university partners.

TUITION FEE: £13,000

International Foundation Year in Science and Engineering

You can develop your understanding of science and engineering concepts and prepare for university by studying this course, which is specifically designed for international students whose first language is not English.

You will practise a range of transferable skills, learn how to apply these skills, and improve your abilities in reading, listening, speaking and writing in English.

You will choose from a selection of modules, which are each worth 40 credits. Your choice will be based on your academic background and your intended degree programme. You will need to gain a total of 140 credits to complete the course.

COMPULSORY MODULE	CREDITS AND OUTLINE
Academic study skills	20 credits. This consists of one hour of tuition per week and is divided into two modules. The aim is to extend your academic study skills through cultural studies. References to historical periods and characters often appear in academic texts.

Application process

We accept applications from all over the world, and our International team is here to offer you help and guidance every step of the way.

- TO APPLY:**
- Complete our International application form.
 - Supply your most recent two years of academic reports.
 - Provide a copy of your passport and birth certificate.

PROCESS: Once we have received the above documents, we will invite you to a video-based interview, which normally takes about 20 minutes. We will ask you about your academic and career ambitions, your course choices, your interests and hobbies, and discuss your Homestay preferences (if applicable).

We will then normally be in a position to give you a conditional offer letter. This letter may contain academic and English language requirements, which you must demonstrate before we can make your offer unconditional.

We will also require payment of a deposit. This sum will be specified in your conditional offer letter.

VISAS: Students from overseas will typically join us after obtaining a study visa. The main types of visa, with a brief explanation, are listed below:

SHORT-TERM STUDENT VISA	STUDENT ROUTE VISA
<p>This type of visa is normally required if you do not have British nationality and are studying a course lasting up to six months.</p> <p>There is no requirement to produce an English language certificate for this type of visa, although you must still satisfy our internal assessment requirements.</p>	<p>This type of visa will be appropriate for you if you plan to join from overseas, do not have a British passport and will be studying a course lasting more than six months (typically on a one or two year course).</p> <p>You will need to supply a valid, UKVI-approved, English language certificate. Our English language requirements can be found on the individual course pages of this brochure.</p> <p>We have a professional visa team to help you through the process.</p>

PRE-ARRIVAL: We will send you some paperwork to complete once we have confirmed your place and will allocate you a suitable Homestay placement.

We offer a complimentary meet and greet airport service from Heathrow airport in late August/early-September.

ENROLMENT: We have several days of induction activities during the first week of September, which will fully prepare you for your studies at Brock. You will also get to meet and make friends with other international students during this time.

Fees, Scholarships and Visas

Fees

Tuition fees quoted in this prospectus include:

- A full-time programme of study.
- All academic and personal support, including an International Tutorial programme and Student Support Manager.
- Examination entry (including resits).
- English language classes.
- College clubs and society membership.
- Aspire programme for high-achieving students.
- London Heathrow airport pick-up service on specified dates.
- Dedicated higher education guidance and specialist Oxford/Cambridge application support.

Please note: additional course costs apply to cover the cost of resources (£50-£80 per course), trips and sporting equipment. All students will be required to pay a non-refundable administration fee of £100 upon arrival.

Homestay accommodation fees

In 2021/22 a variety of homestay accommodation options will be offered, ranging from £6,800 to £7,700.

The College will charge a supplementary fee to cover certain circumstances as follows: special diet (e.g. gluten free) £25 per week, private foster care £50 per week.

Please visit www.brock.ac.uk/homestay for more information.

ZONES	FEE
Zone A	£7,700
Zone B	£7,350*
Zone C	£7,000*
Zone D	£6,800*

*Please note that travel passes may not be available for your first few days at college. You will need to fund your own travel in the meantime.

Independent support fee

Any students not living in accommodation arranged by us are subject to an independent support fee of £500 to cover administration expenses.

Scholarships

We are pleased to be able to offer a range of International Scholarships. For further information please visit www.brock.ac.uk/scholarships

Visas and immigration advice

As a Sponsor (formerly Tier 4 Sponsor) we are licensed to welcome international students wishing to study in Britain. It is very important you have the correct visa to live and study in the UK. The Home Office changes its regulations periodically and you must ensure that you are familiar with the terms of your visa. You will be supported throughout the application process by our dedicated immigration specialist.

For further information, visit:

www.gov.uk/government/organisations/uk-visas-and-immigration and www.brock.ac.uk/international

EU/EEA student support fee

The EU/EEA student support fee applies to all students entitled to a tuition fee waiver due to their nationality. This fee will enable us to continue offering and improving the following key areas:

- Visa advice and guidance.
- Application advice and guidance on the UK education system.
- IELTS advice and guidance.
- International student induction.
- Orientation and advice.
- Additional enrolment support to understand the UK education system and options.
- Additional tutorial support (international tutor).
- Study skills support.
- Accommodation information and advice.
- Host family advice and placement, if applicable.
- Accommodation support.
- Emergency support 24/7.
- International student events and extra-curricular activities.
- Attendance and additional support for exams.

Student support fees for 2021/22

One year courses	Two year courses
£5,000	£5,000 for the first year and £4,500 for the second year

We have used our best efforts to ensure that all the information provided in this prospectus is accurate at the time of publication. Some changes to our course provision may need to take place from time to time. Meanwhile, our website will be updated to reflect any updates or amendments whenever possible. For more information please visit www.brock.ac.uk

Contact us

We have a dedicated international team to help you through all stages of your application. Team members will fully prepare you for your arrival in the UK and offer you all the support you need.

To find out more about the staff who specialise in international education, please visit: www.brock.ac.uk/international/team

You may also contact your local agent for further information about studying with us.
