BEST FOR INTERNATIONAL STUDENTS

85+ nationalities

With <25% of any one nationality in a class, you'll join an international community of people from different cultures, ethnicities and backgrounds.

5 hours English per week

Develop your English skills and excel in your subject studies, better preparing you for university study.

Expert teachers

All of our tutors are teachers of English and include published authors and examiners.

Small class sizes

Get individual attention from teachers and practise your English amongst friends.

From teachers who know how to adapt lessons to build confidence in English to houseparents who provide care and concern during your stay, everything we do at our CATS colleges is aimed at helping you succeed and prepare for university study. Unlike traditional boarding schools in the UK, everyone in a CATS class is in the same situation – away from home, needing help to acclimatise, wanting to make new friends and committed to improving their English rapidly. With our small class sizes, tailored teaching, comfortable accommodation and wide range of social and leisure activities, we'll help you settle in quickly and you'll soon be making new friends, well on your way to achieving your academic goals.

BEST FOR BOARDING

Standard single bedroom

Premium bedroom

30+ activities

Choose from a range of creative, academic, social, sport and leisure activities

On-site medical centres

Managed by trained healthcare professionals

Comfortable living

1,700 rooms in which to live and study

En-suite rooms

A choice of single and shared en-suite rooms

Our campuses offer single and shared bedrooms with en-suite bathrooms in purpose-built accommodation. We know that if you are comfortable and relaxed in your surroundings, you will flourish academically, socially and emotionally. Throughout your time with us, you will be treated as a young adult, allowing you to develop the independence you will need at university. Our houseparents are available 24 hours per day to provide the support and nurturing you need to thrive.

Premium accommodation

You can take advantage of more space to study, relax and socialise with our premium accommodation option. You will benefit from a larger area to live and work; with additional storage space, as well as your own personal welcome pack to make you more comfortable during the first few weeks. Your pack includes essential items, such as extra storage, shoe hanging storage, minifridges, WiFi phone chargers, UK power adaptors, towels, toiletries, bathrobes, throws, and extra cushions.

“AT CATS YOU ARE ABLE TO SHARE CULTURES WITH OTHER PEOPLE WHO DON’T SPEAK THE SAME LANGUAGE. IT IS INSPIRING AND PREPARES YOU FOR THE INTERNATIONAL CAREER.”

Bibi from Italy progressed to study International Management at University of Warwick

International Baccalaureate 39 points

A DAY IN THE LIFE

AT CATS COLLEGE

A typical day in the life of a CATS student is full of variety from start to finish – all with the goal of preparing you for life at university.

You'll explore your chosen subjects in greater depth, practise and improve your English speaking and writing skills. There is also plenty of time to pursue existing hobbies, try new activities and develop a range of personal skills, immersing yourself in British life and culture.

Wake up

Live in comfortable en-suite accommodation complete with a desk for private study.

Period 1 | English lesson

Learn the language needed for your chosen subjects and also prepare for an internationally-recognised English qualification.

Break time

Time for a quick refreshment and snack from the Café.

Period 4 | Guest lecture

Learn about a range of subjects from Business and Economics to Science and Medicine from guest lecturers.

Lunch

Our dedicated chefs offer a variety of British and international dishes catering for a range of dietary requirements, including vegetarian, vegan, lactose intolerant and halal.

Break

Young Enterprise Club

Develop teamwork, communication and business skills by starting up and running a business on a budget.

Breakfast

Choose from a range of cereals, fruit and also a cooked breakfast option in the on-campus canteen.

Period 2 | Science lesson

Explore science through practical experiments in fully-equipped labs.

Period 3 | Tutorial

This is your opportunity to discuss your progress with your Personal Tutor, who will give you advice to help you succeed in your studies.

Period 5 | Business Studies

At CATS College London, business lessons include time in a purpose-built £200K Bloomberg Business Lab – with 15 Bloomberg terminals and access to real-life financial market data.

Period 6 | Higher Education Advice

As well as regular one-to-one tutorials, you receive weekly classes looking at all aspects of applying to university, including interview preparation and creating a top-class personal statement.

Dinner

Dinner services comprise soup, three hot options for your main meal, a selection of accompanying side dishes, salad and a dessert option every day.

Evening activities | Supervised study

Choose from a range of different sporting, creative and leadership activities – from football and yoga to photography and chess. You will also have some time for supervised study.

This timeline illustrates a variety of activities. Your timetable will vary depending on your programme and subject choices. Not all activities will take place in a single day.

BEST FOR UNIVERSITY PREPARATION

Offers from top universities

CATS students have progressed to all 24 Russell group universities, including Oxford, University of St Andrews, LSE and Imperial College London.

Oxbridge* application support

Our dedicated Oxbridge support programme provides mock interviews with Oxbridge academics, exam preparation and personal development to make your application stand out.

University advice

Individual support on applying to university – from one-to-one guidance to mock interviews.

Career guidance

Benefit from career preparation in competitive areas like Medicine and Law through our dedicated Key Professions Programme.

Our goal is to prepare you for university success; whether you would like to study Economics at the London School of Economics and Political Science (LSE), Medicine at Manchester or Chemical Engineering at Cambridge.

To help you make a successful application to the university that's right for you, you'll visit a range of campuses to get a feel for different universities. You will also receive one-to-one guidance, attend tailored workshops, for example, to help you perfect your personal statement, and receive individual support, such as interview practise.

Students can apply to any university all over the world. The advantage in applying to one of our partner universities is that students are guaranteed an offer or interview, depending on which degree subject they are applying for. This gives you the confidence that you can progress to a leading institution upon successfully meeting the entry requirements.

Our exciting CATS Key Professions Programme (see pages 32-47) has been specifically designed to help you get a head start in a competitive career and features a range of extra-curricular activities, including exam preparation, global academic competitions and challenges, visiting speakers, field trips, career research placements and mock interview preparation. It also prepares you to submit the most competitive application to top universities including Oxbridge

“PERSONAL TUTORS ARE ALL VERY APPROACHABLE. WHENEVER I TALK TO THEM, THEY ALWAYS GIVE ME CONSTRUCTIVE FEEDBACK ON MY STUDIES AND MY PROGRESSION TOWARDS UNIVERSITY.”

London is like no other city in the world. It is a vibrant, inspiring and cosmopolitan metropolis offering an unparalleled choice of culture and history, entertainment and shopping.

There are fascinating monuments, museums and attractions at every turn, that cater for all tastes and ages. If you want culture, then the West End theatres and world-renowned music venues are unrivalled. Or perhaps you want to explore the picturesque parks or visit the shops that make London such a global shopping destination.

The CATS London campus is in the centre of the exclusive Bloomsbury area – the heart of academic London. It is close to the prestigious University of London colleges, as well as many cultural institutions, such as the iconic British Museum.

“THERE ARE SO MANY MUSEUMS, CAFES AND BOOKSHOPS NEAR CATS LONDON. THE SCHOOL IS ONLY 10 MINUTES AWAY FROM OXFORD STREET, SO THERE ARE ALWAYS FUN PLACES TO EXPLORE.”

BE CAREER READY

KEY PROFESSIONS PROGRAMME

Our innovative CATS Key Professions Programme (KPP) offers a range of targeted support, advice, guidance and extra-curricular activities to set you on the path to a successful career. We'll help you research your career, plan your route and develop the skills to achieve it. Choosing the ideal combination of subjects in your academic qualifications is perhaps the most important first step in preparing for university and also your chosen career. That's why we offer discipline-specific guidance, which you can read more about on the following pages.

Available at every CATS college, the **Key Professions Programme** supplements your academic study and is open to all students.

We offer expert advice for careers in:

- ✓ Business (page 34)
- ✓ Medicine (page 36)
- ✓ Law (page 38)
- ✓ Social Sciences (page 40)
- ✓ Architecture (page 42)
- ✓ Engineering (page 44)
- ✓ Computer Science (page 46)

We will help you:

RESEARCH your career

If you have a clear idea about the profession you want to enter, we will give you the support you need to prepare for the appropriate degree. Don't worry if you don't have a clear idea; we'll help you discover new interests, develop your strengths and learn new skills.

PLAN your route

Choosing the right combination of subjects is essential to give you the best chance of getting a place on your chosen degree. We'll give you subject guidance and talk to you about the range of degrees on offer so that you can achieve your career ambitions.

DEVELOP your skills

Develop the skills you need to succeed on the Key Professions Programme. It comprises:

- university visits, lectures and application support;
- career preparation;
- personal development opportunities.

Develop your skills in:

- ☒ Analysis ☒ Communication ☒ Numeracy ☒ Problem-solving ☒ Teamwork

A CAREER IN BUSINESS, MANAGEMENT AND FINANCE

BE AN ANALYST, ECONOMIST, ENTREPRENEUR

A degree in business can be a stepping stone to a highly successful career in finance, accounting, management or economics. Career opportunities are available across virtually all sectors, which means business graduates are always in high demand across the world.

Gain a competitive advantage

CATS London Bloomberg Business Lab helps you prepare for a career in business.

With 15 Bloomberg Terminals, you can access the same information as leading decision-makers in business, finance and government, giving you highly employable skills.

DEVELOP
your skills

Applying to university

- Receive one-to-one advice on applying to university.
- Enjoy public lectures at top business schools, such as LSE, UCL and CASS Business School.
- Experience workshops hosted by various universities, such as HULT, Royal Holloway and Surrey University.

Career preparation

- Join the Investment Club to understand the techniques employed by investors to maximise returns through simulated trading projects.
- Participate in the Young Enterprise Club to develop your business skills by learning how to set up and run a business.
- CATS Colleges work in partnership with United World Schools (UWS), giving students the opportunity to work on various entrepreneurial projects that raise funds for and awareness of UWS's mission of building and maintaining educational provision for disadvantaged children in less economically developed countries.
- Attend online seminars hosted by UK-based entrepreneurs.

Personal development

- Learn how to use a Bloomberg Terminal to analyse financial markets in the CATS London Bloomberg Business Lab.
- Take Bloomberg Market Concepts, a 12-hour, self-paced e-learning course that provides an interactive introduction to the financial markets.
- Participate in sector-specific professional activities, such as a workshop by the Institute of Chartered Accountants on commercial awareness.
- Receive continuous support to improve literacy and numeracy skills desirable by universities and future employers.

RESEARCH your career

Find your dream job through workshops and seminars from the world of business and finance. Join our business clubs and receive one-to-one guidance to help you discover your pathway.

Typical careers:

- Chief Executive
- Economist
- Entrepreneur
- Investment Analyst
- Stockbroker

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Accounting and Finance
- Business and Management
- Economics
- International Business
- Investment and Financial Risk Management
- Marketing and Management

PLAN your route

Choose your subjects

Universities usually prefer Mathematics along with Business Studies or Economics. Some like an essay-writing subject, such as History or Psychology.

We offer:

- Business Studies
- Economics
- History
- Mathematics
- Psychology

PLAN your route

Choose your subjects

We recommend you take Chemistry and Biology. Mathematics and Physics are a third option or an essay writing subject, like History or Psychology.

We offer:

- Biology
- Chemistry
- History
- Mathematics
- Physics
- Psychology

DEVELOP your skills

Applying to university

- Receive one-to-one advice on applying to university to study medicine.
- Preparation for the BioMedical Admissions Test (BMAT) and the UK Clinical Aptitude Test (UCAT) – both university entrance tests.
- Visits to medical schools to meet with staff and current undergraduates.
- Be mentored by CATS medicine alumni on the university application process and interview experience.
- Practise Multiple Mini Interviews (MMI), a popular interview method with medical schools.

Career preparation

- Attend healthcare lectures from leading universities, such as Cambridge, Keele, The Royal Veterinary College, St George's, University of London (SGUL), University of East Anglia (UEA).
- Support arranging suitable voluntary experience at hospitals, care homes, farms and biology labs.
- Visits to local hospitals.

Personal development

- Join the Medics Club.
- Participate in a range of leadership activities, such as the Student Council to develop teamwork and communication skills.
- Join the drama or music club to develop your fluency and public speaking skills.

PROGRESS TO STUDY MEDICINE

Take advantage of conditional progression to a degree in Medicine with a guaranteed interview.

Develop your skills in:

- ☒ Analysis ☒ Communication ☒ Attention to detail ☒ Problem-solving ☒ Teamwork

A CAREER IN LAW, INTERNATIONAL RELATIONS AND POLITICS

BE A LAWYER, DIPLOMAT, POLITICIAN

A law degree can lead to a variety of exciting careers and not just in the law profession. There are many areas that require an understanding of law, such as politics or international relations.

“I’M A BARRISTER TO THE
SUPREME COURT OF NIGERIA.
THE HARD WORK PAID OFF”

Zara from Nigeria, former CATS A level student, studied Law at
the University of Law, Birmingham

RESEARCH your career

Through workshops and seminars find out what steps you need to take for a successful career in law or one of the many other career paths in which a law degree is beneficial.

Typical careers:

- Barrister
- Detective

PLAN your route

Choose your subjects

Many universities prefer students not to have studied Law, it certainly isn't essential. Mathematics is preferred by many universities in addition to an essay-writing subject.

We offer:

- English Literature
- History
- Mathematics
- Psychology
- Sociology

DEVELOP your skills

Applying to university

- In one-to-one tutorials, receive advice on all aspects of applying to university to study law – from personal statement guidance to mock interview practise.
- Preparation for the Law National Aptitude Test (LNAT) university entrance exam.
- Visit a range of universities ranked highly for law, such as Birmingham, Durham and Bristol.

Career preparation

- Visit a magistrates' court and get an introduction to the British legal system.
- Visit a law practice to learn about the justice system from legal professionals.

Personal development

- Participate in the Citizenship Foundation's Annual Mock Trial Competition to learn how to present fictional legal cases to real judges in a law court, showcasing your verbal reasoning skills.
- Participate in a variety of leadership and debating activities – from the Duke of Edinburgh Award to Olympiad challenges.

PROGRESS TO STUDY LAW

Take advantage of guaranteed progression* to the University of Bristol, consistently ranked one of the top universities in the UK.

*Subject to meeting entry requirements

Develop your skills in:

- ☒ Creative thinking ☒ Communication ☒ Attention to detail ☒ Problem-solving ☒ Teamwork

A CAREER IN SOCIAL SCIENCES, HUMANITIES AND THE ARTS

BE A JOURNALIST, PSYCHOLOGIST, MARKETER

A degree in humanities can lead to a career in a specific discipline such as journalism, or you can choose to undertake further postgraduate study to pursue a career such as Law.

Career opportunities are also available which cross between sectors, such as in Business or Politics meaning that career options are very varied.

“FINISHING COURSEWORK, I FEEL A GREAT SENSE OF ACHIEVEMENT. I REALLY LIKE TO GET FEEDBACK FROM MY TEACHERS SO I CAN IMPROVE MY WORK, THAT REALLY HELPS ME GROW”

Yubin from South Korea progressed to study Graphic and Communication Design at the University of Leeds

RESEARCH your career

Find the degree which you want to apply for by attending subject seminars from leading universities and talking to visiting universities, also through one-to-one discussions with your teachers and Higher Education Officer.

Typical careers:

- Politician
- Political Advisor
- Journalist
- Illustrator
- Graphic Designer

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Politics
- Sociology
- History
- Illustration
- Graphics

Student success

Nationality	Programme	Destination	Degree	Ranking*
Russian	UFP	Durham University	English Literature	6
Russian	UFP	Durham University	Anthropology	6
Chinese	A Level	University College London	Psychology and Language Sciences	7
Chinese	UFP	University of Bristol	Marketing	14

Belgian	IB	King's College London	International Relations	18
Nigerian	UFP	University of Sheffield	Psychology	22
Turkish	A level	Queen Mary, University of London	Political And International Relations	40
Italian	IB	City, University of London	Media and Communications	55

PLAN your route

Choose your subjects

Universities usually prefer Mathematics along with Business Studies or Economics. Some like an essay-writing subject, such as History or Psychology.

We offer:

- History
- Sociology
- Business
- Psychology
- English Literature
- Art
- Photography

DEVELOP your skills

Applying to university

- Receive one-to-one advice on applying to university
- Enjoy subject seminars from top universities such as Regents, Leeds Arts University, Norwich University of the Arts
- Experience workshops hosted by various universities, such as Regent's University London

Career preparation

- CATS Colleges work in partnership with United World Schools (UWS), giving students the opportunity to work on various entrepreneurial projects that raise funds for and awareness of UWS's mission of building and maintaining educational provision for disadvantaged children in less economically developed countries
- Complete an Extended Project on a topic of your choice

Personal development

- Join the Model United Nations or debating clubs to explore topical or historical issues and argue your point of view
- Join the Art or Photography clubs to develop projects outside your studies

PROGRESS TO STUDY PSYCHOLOGY

Take advantage of guaranteed progression to Royal Holloway, ranked in the top 20 universities in the UK for Psychology.

*Subject to meeting entry requirements

Develop your skills in:

☒ Problem-solving ☒ Creative thinking ☒ Teamwork ☒ Visualising ☒ Attention to detail

A CAREER IN ARCHITECTURE AND URBAN PLANNING

BE AN ARCHITECT, DESIGNER, SURVEYOR

Architecture is a complex, technical and rewarding discipline if you have a curious, creative and visual mind. Whatever career you choose, CATS Colleges will support you on your journey.

“CATS COLLEGES ORGANISE TALKS FROM UNIVERSITY PROFESSORS AND STUDENTS FROM UNIVERSITY OF CAMBRIDGE. THIS HELPS TO UNDERSTAND HOW RESEARCH IS CONDUCTED AND DEEPENS YOUR KNOWLEDGE.”

Carol from Hong Kong went on to study Civil Engineering at University of Bristol

A Levels A*A*A*

Click or scan here to view Carol's student experience

RESEARCH your career

Discover what it takes to work in architecture through a series of industry-focused workshops and seminars. The creative, visual, technical and design-based skills that you need to develop will open a whole other world of opportunities besides architecture.

Typical careers:

- Architect
- Civil Engineer
- Surveyor
- Urban Planner

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Architecture
- Civil Engineering
- Environmental Planning
- Interior Design

Student success

Nationality	Programme	Destination	Degree	Ranking*
Vietnamese	A Level	UCL	Architecture	7
Chinese	A Level	UCL	Architecture	7
Albanian	UFP	Loughborough University	Civil Engineering	10
Chinese	UFP	University of Bristol	Civil Engineering	14
French	UFP	University of Bristol	Civil Engineering	14
Nigerian	UFP	University of York	Environment, Economics and Ecology	19
Moroccan	A Level	Cardiff University	Architecture	35
Thai	A Level	Swansea University	Materials Science and Engineering	39

PLAN your route

Choose your subjects

With Architecture, you can take either an Engineering or Design route. If you choose an Engineering route, you will look at designing processes and making products to solve real-world problems, such as the building of bridges or sustainable homes. Consider a combination of Chemistry, Physics, Mathematics and Psychology.

If you choose an Art route, you will look at the design and function of structures. Your portfolio will be essential as part of your university application process. Our recommendation is Art, Physics and Mathematics.

DEVELOP your skills

Applying to university

- Learn how to create an outstanding portfolio.
- Visit a range of universities ranked highly for architecture and design.

Career preparation

- Participate in a variety of creative activities and clubs – from photography to life drawing.
- Exciting field trips to places like the Museum of Brands, Packaging and Advertising, the Design Museum and The Tate Modern.
- Visit architectural places of interest around the UK, such as the Barbican, the Shard, or the colleges of Oxford and Cambridge.

Personal development

- An annual visit to a European city to discover classical architecture.
- Participate in Young Enterprise to develop your business skills – great for those wanting to pursue a career in product design.

University of Kent

PROGRESS TO STUDY ARCHITECTURE

Take advantage of guaranteed progression* to the University of Kent, which offers one of the top architecture degree courses in the UK.

*Subject to meeting entry requirements

Develop your skills in:

- ☒ Problem-solving ☒ Numeracy ☒ Leadership ☒ Teamwork ☒ Project planning

A CAREER IN ENGINEERING OR THE PHYSICAL SCIENCES

BE AN ENGINEER, SCIENTIFIC RESEARCHER, PHYSICIST
OR MATERIALS SCIENTIST

Engineering covers many disciplines that touch virtually all aspects of modern life – from construction to car design – which means that Engineers are in high demand around the world. Physical Sciences include Chemistry, Physics and related disciplines. You might want a career as a pure research scientist, or to apply these sciences to practical world problems.

“BY HAVING ACCESS TO SCIENTIFIC
EQUIPMENT AT CATS I WAS ABLE TO
CHOOSE A PRACTICAL APPROACH
TO WHAT I WAS STUDYING
THROUGH EXPERIMENTS.”

Ginni from Italy progressed to study Materials Science at
Queen Mary University

International Baccalaureate 38 points

RESEARCH your career

From medical technology to driverless cars, engineering and sciences are shaping our future. Find the area that you love through our lectures, workshops, and seminars.

Typical careers:

- Aerospace Engineer
- Biomedical Engineer
- Chemical Engineer
- Civil Engineer
- Mechanical Engineer
- Astronomer,
- Environmental Scientist
- Research Chemist

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Aerospace Engineering
- Automotive Engineering
- Biomedical Engineering
- Chemical Engineering
- Civil Engineering
- Engineering Mathematics

*The Times and Sunday Times University Ranking 2021

PLAN your route

Choose your subjects

Mathematics and Physics are essential for Engineering. Your third subject could be a science, social science or even a humanity. Mathematics and your chosen science are essential for physical sciences and often students will choose another science as their third subject.

We offer:

- Biology
- Chemistry
- Mathematics/Further Mathematics
- Physics
- Psychology
- Engineering

Applying to university

PROGRESS TO STUDY ENGINEERING

Take advantage of guaranteed progression* to the University of Surrey, one of the top universities for engineering courses in the UK.

*Subject to meeting entry requirements

DEVELOP your skills

- In one-to-one tutorials, receive advice on all aspects of applying to university to study engineering or science.
- Visit a range of universities ranked highly for engineering and science, such as the University of Surrey and the University of Bristol.

Career preparation

- Participate in a variety of workshops and seminars to develop your interest.
- Receive exam preparation, depending on your type of engineering course.
- Visit places of interest, such as the University of Cambridge's Department of Engineering.

Personal development

- To develop your knowledge of STEM (Science, Technology, Engineering, Maths) subjects outside of the classroom, participate in STEM, robotics and/or coding clubs and Olympiads and/or Maths Challenge competitions.
- Attend seminars and workshops to discover your passion for engineering.
- Enter Physics and Chemistry Olympiads and Maths Challenge competitions to develop your knowledge.

Develop your skills in:

- ☒ Problem-solving ☒ Critical thinking ☒ Analysis ☒ Numeracy ☒ Communication

A CAREER IN COMPUTER SCIENCE

BE AN AI SPECIALIST, PROGRAMMER, DEVELOPER,
ANALYST

Computer technologies are more important than ever in a digital world, this makes a degree in Computer Science an attractive choice. Also, studying Computer Science will give you many technical skills highly valued by employers, from understanding code to programming and problem solving.

“BEING INVOLVED IN
ROBOTICS HELPED ME
GET EXTRACURRICULAR
EXPERIENCE. IT GAVE ME AN
OUTLET.”

Vaibhav from Belgium progressed to study
Aeronautical Engineering at the University of Glasgow

A levels A*AB

RESEARCH your career

From robotics to artificial intelligence (AI), careers in Computer Science are wide and varied. Attend seminars and workshops with industry experts to discover the area of Computer Science that is right for you.

Typical careers:

- Big Data Engineer
- Blockchain Developer
- Cyber Security Specialist
- Data Security Analyst
- Machine Learning Engineer
- Systems Architect

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Artificial Intelligence
- Computer Games Programming
- Computer Science
- Cyber Security
- Software Engineering

*The Times and Sunday Times University Ranking 2021

PLAN your route

Choose your subjects

Universities do not require a Computer Science qualification for entry, but Mathematics is essential, and Physics often preferred, as well as other subjects that display clear and logical thinking or a social science for some courses.

We offer:

- Chemistry
- Economics
- Mathematics
- Further Mathematics
- Physics
- Psychology
- Sociology

DEVELOP your skills

Applying to university

- Receive one-to-one advice on applying to university.
- Enjoy lectures at top universities, such as LSE and CASS Business School.

Career preparation

- Attend seminars and workshops to discover your passion for Computer Science.
- Visit places of interest such as the Cambridge Museum of Computing or Bletchley Park – the home of UK code-breaking.

Personal development

- Participate in Young Enterprise to develop your problem-solving skills.
- Participate in Robotics Club and Coding Club to develop your knowledge outside of the classroom.

UNIVERSITY OF
EXETER

PROGRESS TO STUDY COMPUTER SCIENCE

Take advantage of guaranteed progression* to the University of Exeter, consistently ranked in the top 15 for Computer Science in the UK.

GCSE PREPARATION

BE READY FOR ACADEMIC SUCCESS

Who is this programme for?

GCSE Preparation will help you develop the academic skills needed to excel in the next stage of your education at CATS, whether that be a GCSE or Pre-programme course.

Over the course of the year, you will study a range of subjects encouraging you to explore your academic potential and discover where your interests lie. Alongside your specialist subjects, you will receive intensive English tuition to develop the level you need to move to the next programme of study.

What will you achieve?

You will:

- take the Key English Test (KET) or Preliminary English Test (PET) Cambridge English exam at the end of the course;
- be able to progress to study at a higher level such as GCSEs in a range of subjects;
- have learned about a range of subjects in English;
- have developed essential study skills: listening, note-taking, essay and report writing;
- have developed essential life skills: e.g. time management, confidence, independence.

Key features

- Study a range of subjects in English, including Sciences, Humanities and Business.
- Receive intensive English tuition. Our integrated classes cover reading, writing, speaking, listening, grammar and vocabulary.
- Prepare for a Cambridge English qualification.
- Experience life at an international school with access to a broad range of extra-curricular activities, sports and trips that will give you the edge when it comes to applying to university.
- Receive a range of homework tasks.
- Receive regular one-to-one coaching on future study pathways.

Quick facts

Age	14-16
Academic entry requirements	At least 8 years of schooling, plus a school report that identifies English needs that can be met by this course and describes a student who is willing to learn and develop
Language level requirements	Minimum IELTS 3.5
Average class size	8
Hours per week	26-27
Course duration	Cambridge and Canterbury 3 terms (September)

“CATS LONDON HAS PROVIDED ME WITH A FRIENDLY AND FREE ENVIRONMENT IN WHICH I CAN LEARN NEW SKILLS WHILE HAVING FUN. I FEEL COMFORTABLE TO EXPRESS MYSELF AND ASK FOR HELP FROM THE TEACHERS, AND THEIR ASSISTANCE HAS BEEN QUITE BENEFICIAL TO ME.”

Danny from Brazil is currently studying (I)GCSE at CATS London

GCSE

EXPLORING YOUR INTERESTS

Who is this programme for?

GCSE is a qualification in a specific subject to enable progression to a pre-university programme such as A level or International Baccalaureate Programme.

The CATS College GCSE programme is designed for international students. Classes are taught by subject specialists who are trained in how to teach students who have English as a second language. The course encourages you to explore your academic potential and since it is a broad programme it will give you a chance to investigate where your interests lie.

What will you achieve?

- You will:
- achieve GCSE qualifications in a range of subjects;
 - have improved subject knowledge and English fluency and proficiency ready for entry onto your chosen university preparation programme;
 - have the study skills required to excel in your chosen university preparation programme;
 - have essential life skills such as time management, confidence, collaboration and independence.

Key features

- Get exposure to the style of assessment and teaching in the UK and focus on developing your study skills, independence and confidence.
- Experience life at an international school with access to a broad range of extra-curricular activities, sports and trips so you can have fun, stay fit and develop life skills.
- Receive a range of homework tasks.

Quick facts

	GCSE	Fast-track GCSE
Age	14+	15+
Academic entry requirements	At least 8 years of schooling with a good school record	At least 9 years of schooling with a good school record
Language level requirements	IELTS 4.0+	IELTS 4.0+
Average class size	11	11
Hours per week	30+	30+
	In addition to Maths, English, Biology, Chemistry and Physics, you will take three more subjects	You will have the opportunity to be examined in at least six subjects including English, Maths and Science
Course duration	Cambridge 6 terms (September) 5 terms (January)	London 3 terms (September)
	Canterbury 6 terms (September) 5 terms (January)	

“CATS COLLEGE LONDON HAS HELPED ME DISCOVER WHAT I’D LIKE TO DO IN THE FUTURE WHICH WAS A BIT OF A MYSTERY TO ME BEFORE I JOINED. I MANAGED TO ACHIEVE RESULTS I AM PROUD OF DUE TO THE ENCOURAGEMENT I RECEIVED FROM PEERS AND THE OVERALL SUPPORTIVE ATMOSPHERE THE SCHOOL OFFERS.”

Katie from the UK is currently studying (I)GCSE at CATS London.

PRE-PROGRAMME

PREPARING YOU FOR ADVANCED STUDY

Who is this programme for?

This programme will give you the basic skills and knowledge needed to start a university preparation programme – A level, International Baccalaureate Diploma or University Foundation Programme. You will also get an introduction to the UK teaching approach.

Within the Pre-programme, there may be an opportunity to take external examinations in English and Maths. This will be discussed during academic counselling, so that we can create your personalised study plan.

What will you achieve?

You will:

- improve the depth and breadth of your subject knowledge ready for entry onto your chosen university preparation programme;
- increase your proficiency and fluency (how well you can communicate) in English to help you achieve greater academic success;
- have the study skills required to excel in your university preparation and subsequent degree programme;
- acquire essential life skills, such as time management, confidence, collaboration and independence.

Key features

- Study a minimum of seven academic subjects, including Maths, English, Biology, Chemistry and Physics.
- Receive intensive English tuition: our integrated classes cover reading, writing, speaking, listening, grammar and vocabulary.
- Experience life at an international school with access to a broad range of extra-curricular activities, sports, and trips so you can have fun, stay fit and develop life skills.
- Receive a range of homework tasks.
- Receive regular one-to-one coaching on future study pathways.

“YOU CAN FOCUS ON SUBJECTS THAT YOU WANT TO STUDY. I CHOSE MY SUBJECTS BUSINESS, ECONOMICS AND SOCIOLOGY, SO I CAN PREPARE FOR UNIVERSITY BETTER”

Molly from Kazakhstan studied the Pre-programme at CATS Canterbury and the University Foundation Programme at CATS London before progressing to study Fashion Merchandising at the University of the Arts London

UFP A*AA

A LEVEL

THE CLASSIC ROUTE

Who is this programme for?

A level is a higher level qualification in a specific subject that can lead to university, further study, training or work. It is a traditional UK qualification offering the widest choice of universities.

It is a highly focussed programme of study with a minimum of three subjects studied, usually over two years, with examinations in the second year. However, we also offer a fast-track option. Choosing your subject combination is important as universities look for students that have good grades in the right subjects. We work with you to choose the best combination to help achieve your university and career aspirations.

The CATS College A level programme is designed for international students with additional English language support to help you excel in your studies.

What will you achieve?

You will:

- be able to progress to an international university;
- possess desirable study skills, such as critical thinking, essay/report writing and solution-based thinking;
- have developed life skills, such as independence, confidence and good communication – all essential for university and your future career.

Key features

- Choose from a wide choice of subjects, including Sciences, Humanities and the Arts.
- Prepare for an English qualification recognised by international universities.
- Get exposure to the style of assessment and teaching in the UK and focus on developing your study skills, independence and confidence.
- Complete challenging research and homework tasks.

Quick facts

	A level	Fast-track A level
Age	15.5+	17+
Academic entry requirements	At least 10 years of schooling and a good school record	At least 10 years of schooling, an excellent school record and an entrance interview via Skype to discuss your suitability for the course
Language level requirements	IELTS 5.0+	IELTS 5.5+
Average class size	8	7
Hours per week	22+	30+
Course duration	Cambridge 6 terms (September, January)	London 3 terms (September)
	Canterbury 6 terms (September, January)	
	London 6 terms (September) 5 terms (January)	

“AT CATS CANTERBURY YOU HAVE A NICE BALANCE BETWEEN EDUCATION AND THE JOY OF BEING A STUDENT. STUDYING AT CATS HELPED ME RECEIVE AN OFFER FROM BOTH UNIVERSITY OF CAMBRIDGE AND UNIVERSITY COLLEGE LONDON. I ALSO MADE GREAT FRIENDS WHO DEFINITELY SHAPED MY PERSONALITY AND GAVE ME DIFFERENT PERSPECTIVES ON LIFE. ”

Roman from Ukraine was accepted to study Engineering at the University of Cambridge

A levels A*A*A*

INTERNATIONAL BACCALAUREATE

A GLOBAL PERSPECTIVE

Who is this programme for?

The International Baccalaureate Diploma, known as the IB, is a qualification that challenges, encourages and inspires you to become a caring, critical thinker, ready for university study and a globally-focused career.

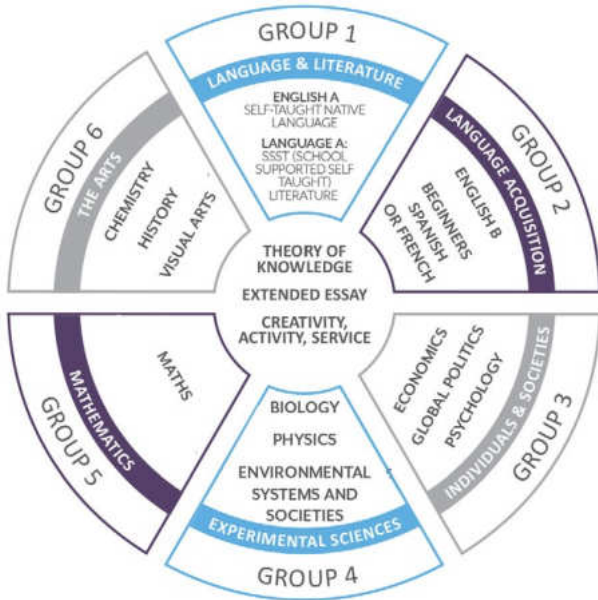

What will you achieve?

- You will:
- be able to progress to an international university;
 - possess desirable study skills, such as critical thinking, independent research and real-world context;
 - gain life skills, such as independence, confidence and good communication – all essential for university and your future career.

Key features

- Study six subjects – Language and Literature, Language Acquisition, Individuals and Societies, Experimental Sciences, Mathematics and the Arts.
- The **Theory of Knowledge** asks you to reflect on the nature of knowledge and on how we know what we claim to know. It is assessed through an oral presentation and a 1,600-word essay.
- An **extended essay** prepares you for the study skills required at university.
- **Creativity, Activity, Service** comprises arts and other experiences that involve creative thinking; physical exertion contributing to a healthy lifestyle, which improves and complements your academic studies; and an unpaid and voluntary exchange that has a learning benefit.

Quick facts

Age	15.5+
Academic entry requirements	A good school record
Language level requirements	IELTS 5.5+
Average class size	9
Hours per week	32+
Course duration	Canterbury 6 terms (September)

“INTERNATIONAL BACCALAUREATE IS AN ACADEMICALLY DEMANDING PROGRAMME. THE AMOUNT OF WORK DONE WHILE STUDYING AT CATS CANTERBURY IS COMPARABLE TO WHAT I WILL BE DOING AT THE UNIVERSITY.”

Veronika from Russia progressed to study Liberal Arts and Sciences at Amsterdam University College

International Baccalaureate 42 points

UNIVERSITY FOUNDATION PROGRAMME

BRIDGING THE GAP

Who is this programme for?

This University Foundation Programme (UFP) acts as a bridge from students' high school education in their own country to university in the UK.

It recognises the specific academic challenges that you face and uses assessment strategies that offer the best opportunities to demonstrate your academic level and potential.

In addition to developing your English skills, you will choose three subjects, with exams at the end of the course. There is also a significant amount of coursework which contributes to your final grade. Choosing your subject combination is important as universities look for students that have good grades in the right subjects. We work with you to choose the best combination to help achieve your university and career aspirations.

What will you achieve?

You will:

- have an accredited qualification accepted by 90 of the 100 top UK universities;
- have developed as an independent learner;
- have improved your English language fluency and proficiency;
- have the foundation needed for undergraduate study in your chosen subject.

Key features

- Choose from a wide choice of subjects, including Sciences, Humanities and the Arts.
- Improve your English for university entry and develop your fluency and proficiency to give you the competitive edge in your university application.
- Prepare for an English qualification recognised by international universities.
- Join a variety of clubs and after-school programmes with a focus on key professions, such as law, medicine and engineering, to develop your skills to boost your personal statement for university.
- Experience life at an international school with access to a broad range of extra-curricular activities, sports and trips that will give you the edge when it comes to applying to university.
- Develop skills needed to succeed at university with a focus on improving your capacity to learn with confidence and independence.

Quick facts

University Foundation Programme	
Age	16.5+

“STUDYING AT CATS WAS EXCITING AND CHALLENGING. I NEEDED TO DO MY BEST AS I COULD BENEFIT SO MUCH FROM MY TEACHERS WHO HELPED ME TO IMPROVE MY GRADES AND THE QUALITY OF MY WORK.”

Jesse from Nigeria progressed to study Economics at Loughborough University

University Foundation Programme A*A*A

HIGH SCHOOL TERM

STUDY EXPERIENCE OF A LIFETIME

Who is this programme for?

This programme gives you an insight into British education and complements your studies in your home country. You will be enrolled in classes depending on your age and English level. You will take classes which complement your current studies and receive a notarised report showing your progress and achievements. This is ideal if you are looking for an international experience without disrupting your academic studies at home.

What will you achieve?

- You will:
- study with peers from over 70 countries and gain a global perspective;
 - experience studying in the British education system;
 - enjoy a range of activities and trips around the UK;
 - improve your English language skills;
 - become a more confident learner;
 - earn study credits in your home country.

ACADEMIC ENGLISH PROGRAMME

BOOST YOUR ENGLISH

Who is this programme for?

Our Academic English Programme will help you develop your English skills to excel in your chosen CATS academic programme – A level, International Baccalaureate Diploma or University Foundation Programme. For students aged 14-16, Academic English is delivered as part of our GCSE and Pre-programme courses. The course is designed to be taken before a CATS academic programme.

Quick facts

Age	16+
Academic entry requirements	A school report that identifies English needs that can be met by this course and describes a student who is willing to learn and develop
Language level requirements	IELTS 3.5+
Average class size	8
Hours per week	27
Course duration	Cambridge 1, 2 or 3 terms
	Canterbury 1, 2 or 3 terms
	London 1, 2 or 3 terms

Key features

- Receive intensive English tuition in preparation for your studies: our integrated classes cover reading, writing, speaking, listening, grammar and vocabulary.
- Get an introduction to the vocabulary required for your chosen programme.
- Learn about the following subjects in English: Maths; Business; History; and the Sciences.
- Focus on improving your accuracy (how correct your English is) and fluency (how well you can communicate).
- Prepare for IELTS to be able to take the government-approved IELTS for UK Visas and Immigration (UKVI), which is necessary for all visa applications.

SUMMER PROGRAMMES

Join a two or three-week CATS College summer programme to develop your knowledge of specific subjects, universities, and careers, whilst gaining an insight into the British education system and an understanding of applying to UK universities.

14-17

For students aged
14-17 years

IELTS 4.0+

For students with English language
level of IELTS 4.0+

UK culture

For students wanting to learn
and experience UK culture

All programmes combine:

- Interactive workshops and activities led by experts in the field.
- Inspiring talks and lectures that will give you an advantage in your university application.
- Trips around the UK to inspire you and inform university applications.
- A range of activities to help you relax and make friends.

Choose from:

- Science, Technology, Engineering and Mathematics (STEM) Programme.
- STEM and English for Science Programme.
- Bloomberg Business Advantage.
- Careers in Medicine.
- Oxbridge Preparation Programme.
- Model United Nations Programme
- Academic Explorer

SUBJECTS — A LEVEL AND UNIVERSITY FOUNDATION PROGRAMME ONLY

We would be delighted to arrange a counselling interview for you if you wish to discuss your choices. Subject choices are an indication only at this stage; they may be revised at any time up to the end of the induction week at CATS.

Subject 1:

Subject 2:

Subject 3:

Subject 4: (Students wishing to take more than three subjects will be referred for academic counselling and further fees for additional subjects may apply).

ACCOMMODATION PREFERENCE

College room allocation is based on availability at the time we receive your deposit; all room types are allocated on a first-come, first-served basis. Final allocation is confirmed shortly before the start of the term. Students under 18 years of age are expected to live in CATS accommodation if they are not living with their parents. If they wish to live elsewhere, a written request must be submitted to the CATS Principal for approval. Younger students will be allocated a shared room unless otherwise requested.

Do you require CATS accommodation? Please ✓

Yes ☐

No ☐

If yes, please choose one of the below options, ✓ to indicate your preference. If no, we will send you an Independent Accommodation Request form for completion.

MEDICAL AND WELFARE INFORMATION

All fields in this section **MUST** be completed. CATS will conduct a needs analysis with you to determine any support that may be required to ensure that your personal needs can be met wherever possible. However, failure to disclose a specific requirement may result in us not being able to meet your needs. Please ✓ to indicate below:

Do you have a disability, learning difficulties or special needs?
If yes, please specify:

Yes ☐ No ☐

Do you have any allergies?
If yes, please specify:

Yes ☐ No ☐

Do you take any medication?
If yes, please specify:

Yes ☐ No ☐

Do you have any dietary requirements?
If yes, please specify:

Yes ☐ No ☐

I consent to CATS processing my/the student’s medical and welfare information provided as part of this application. If you are completing and signing as an Agent on behalf of the student, we will assume (unless you tell us otherwise) that you have full authority and consent from the student to sign on their behalf.

Signature of the student:	Print name:	Date:
Signature of parent/legal guardian:	Print name:	Date:

You have the right to withdraw your consent at any time by emailing the CATS data protection officer on DPO@catscollege.com. For further information on how CATS processes your personal data please see our Privacy Policy at www.catseducation.com/privacy.htm

INSURANCE

CATS students are required to have an adequate insurance policy upon their arrival at the College.
Please ✓ to indicate if you would like to purchase our Student Cover insurance:

Yes ☐ No ☐

Our comprehensive student insurance cover is created in partnership with Endsleigh Insurance Services; you can find further details online at www.catseducation.com/insurance

Please scan and send a copy of your insurance cover policy before your arrival at CATS.

DECLARATION AND SIGNATURE

- I am a student, or their parent or legal guardian (if the student is under 18 years of age), or have the full and express authority and consent of the student to submit this application on their behalf.
- I confirm that all information provided in this application form and any other supporting admissions materials is factually true and honestly declared.
- I understand that submission of this application form to CATS does not constitute a contract.
