# Stakeholder consultation through local and regional contact points

## RegHub work programme

**3 - 4 consultations per year**, each taking about **4 months** from the first questionnaire draft to the final implementation report.

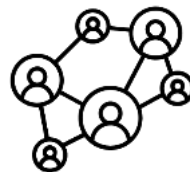

**Three step approach:**

### Workshop

- Discussion
- Review
- Exchange of good practice

### Consultation

- Consultation in the region
- Aggregation of information

### RegHub report

- Report compilation (RegHub secretariat & competent CoR commission)

### 3. What is RegHub's output?

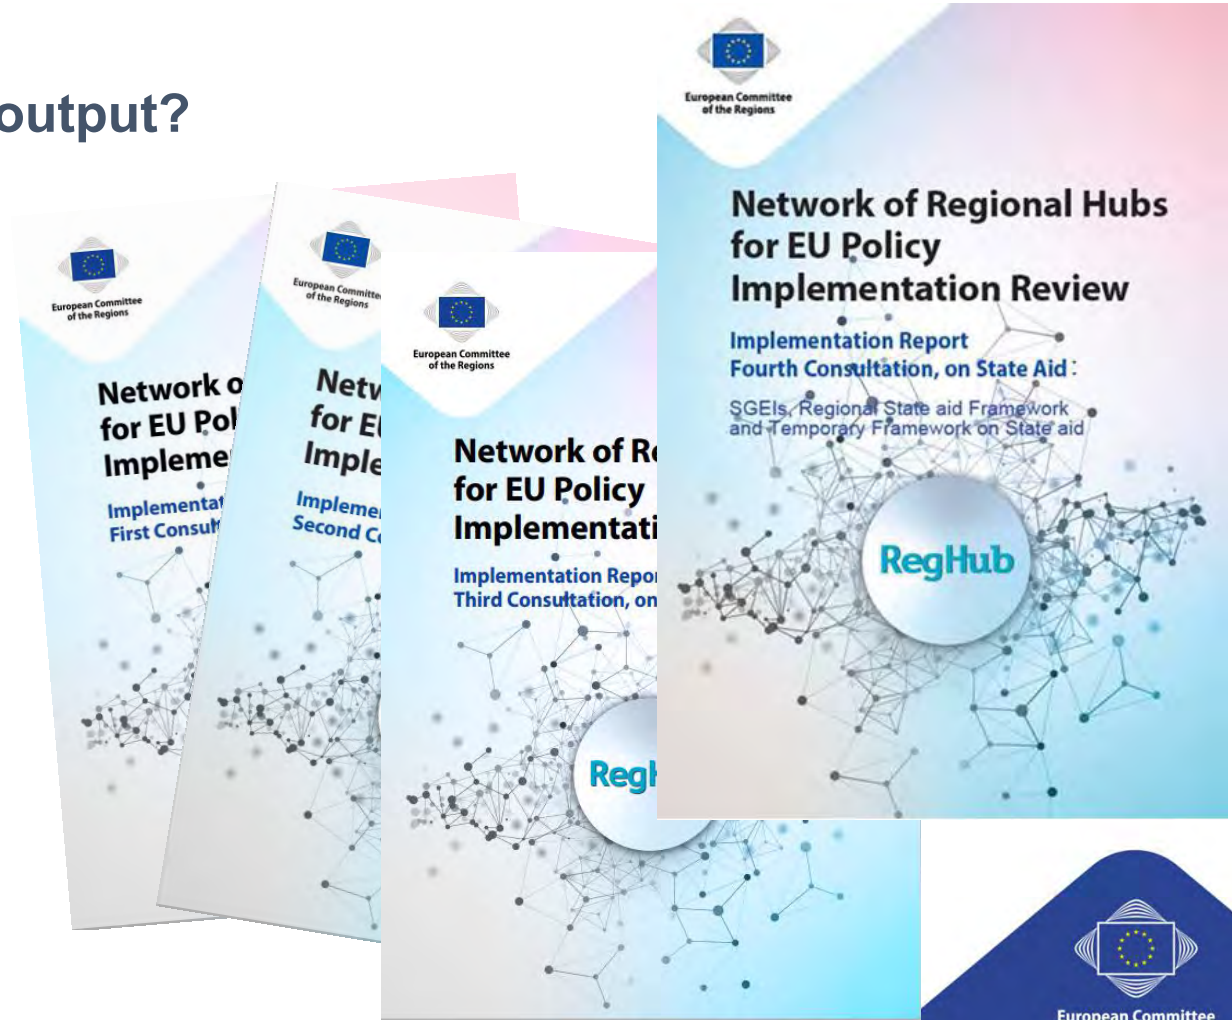

➤ **Implementation reports:**

- Public Procurement
- Airquality
- State Aid
- Cross Border Health Care
- CAP

➤ **Upcoming consultations**

- Planning & Permitting
- E-Procurement

- **Broadband Cost Reduction**
