HIGH LEVEL SESSION I

NEW LEIPZIG CHARTER - A STRATEGIC FRAMEWORK FOR INTEGRATED URBAN DEVELOPMENT IN EUROPE

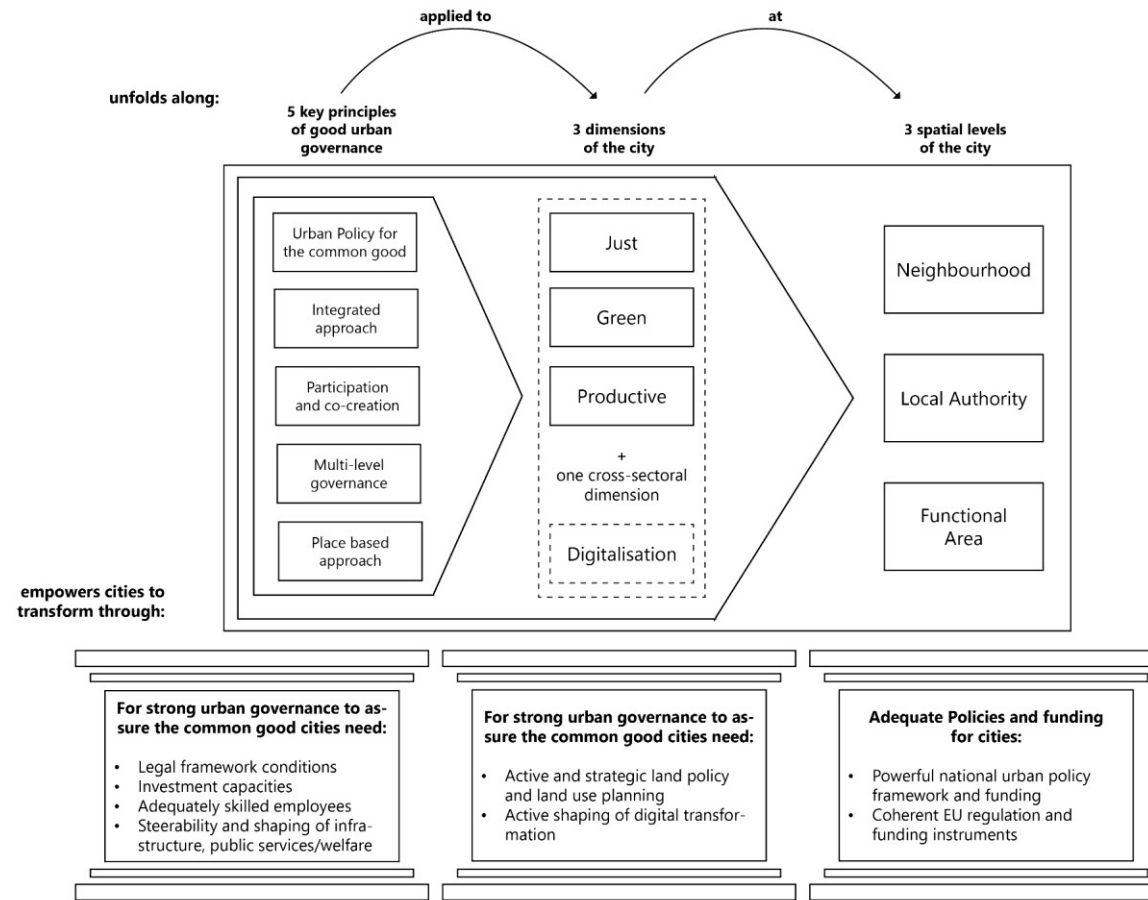

TILMAN BUCHHOLZ

FEDERAL MINISTRY OF THE INTERIOR,
BUILDING AND COMMUNITY, GERMANY

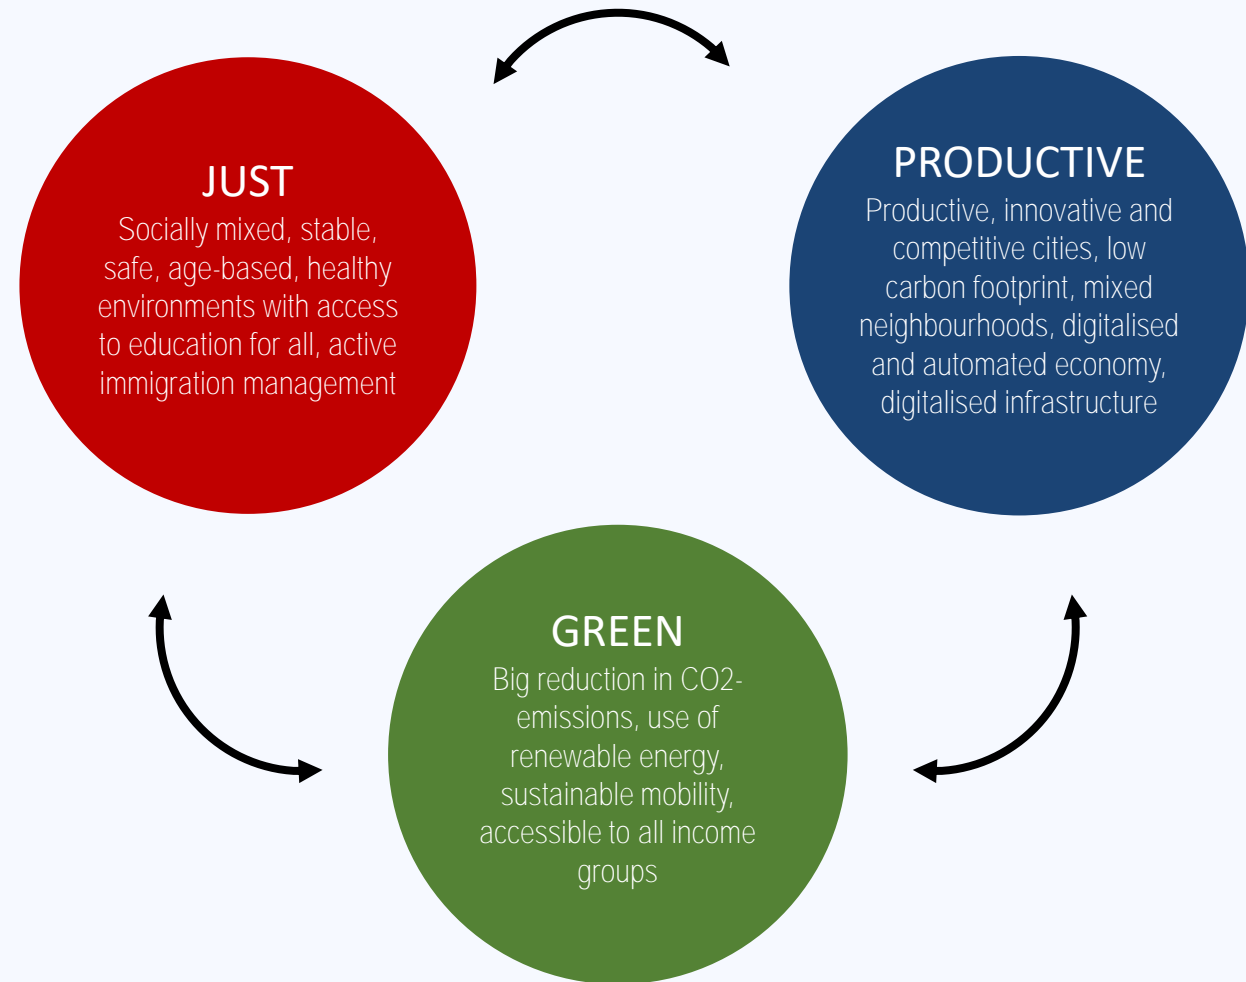

THE NEW LEIPZIG CHARTER

NEW LEIPZIG CHARTER- THE TRANSFORMATIVE POWER OF CITIES FOR THE COMMON GOOD

All three dimensions have to be treated in an integrated, combined and balanced way.

Digitalisation as cross cutting issue affecting all three dimensions.

NEW LEIPZIG CHARTER

Cities need to be empowered to be able to transform and to cope with current and future challenges:

- Legal framework conditions
- Investment capacities
- Skilled employees
- Steerability and shaping of infrastructure like digital networks

➡ National Urban Policies

➡ Coherent EU regulation and funding
