

POSTERS

Posters are physical only. Full abstracts will be uploaded to the website.

- Poster size - A0 size [841mm wide x 1189mm height] - this is the maximum dimension
- Layout – portrait orientation ONLY
- Poster Board size – 1m wide x 2m height
- Posters should be printed prior to arrival – there is no in-house facility for printing posters
- Velcro for mounting your poster will be supplied at the venue [no other method of fixing is permitted]
- A poster registration desk will be outside the Exhibition Hall at the top of the escalator in the Riverside concourse
- There are 3 poster sessions at OPTIONS XI – your session day/time was confirmed in the notification letter - a listing of poster titles within poster session will be uploaded to the website before the conference begins. Please check.
- Presenters are required to be present by their poster to address any questions when sessions are taking place
- There are no flash poster presentations and no slides are required
- Posters should be taken down at the close of each poster session
- If the first author is not the presenter, please make this clear by highlighting the presenter's name *in* the poster or adding a card with presenter details below the poster
