

## SOLUTIONS FOR EVERY ROOM

Get creative - our sliding doors and storage systems are not only for the bedroom! Hide away boots and coats in the hallway, turn awkward spaces into a home office, and even transform the eaves in your attic into useful storage.

All our sliding doors are made to fit spaces from 1.15 - 2.48m high and 1.15 - 4.55m wide.

Lofts

Reclaim the space lost to pitched roofs. Make your loft room just as stunning as the rest of your home.

#### Spare bedrooms

When floor space is a limited, then sliding doors are ideal as no additional floor space is needed for doors to swing open!

#### Storage systems

Our storage systems work well both behind sliding doors or as a stylish stand alone piece of furniture.

#### Hallways

Cover all your hallway clutter without taking up needed space! Our sliding doors can be built anywhere in the home giving you that extra storage space.

# MEASURING UP FOR YOUR NEW WARDROBES

### 0

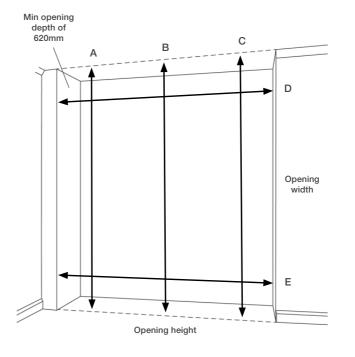

#### **MEASURE UP**

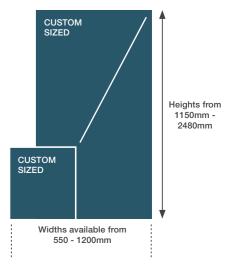

It's really important to prepare your project by measuring up your space, ensuring all doors fit correctly.

#### IDENTIFY YOUR SPACE

Once you know what space there is to work, we can use your measurements to maximise your storage space, so that you can organise your belongings with ease.

#### CREATE YOUR WARDROBE OPENING

Create the look you want no matter what space you have. In addition to wall to wall installations, our sliding wardrobes can also be installed using our matching end panels and accessories - fitting any space.
