

# LOCAL TAXI COMPANIES

*in Chepstow*

We've put together a list of local taxi companies in Chepstow, which you can pass onto guests who are staying nearby. We recommend including a list of local taxi companies in your invitations, along with a list of local accommodation. Chepstow is only a small town so it's essential that guests book their taxis in advance of the wedding as it can be difficult to get a taxi at the end of the night.

The bar will close and the music will finish at 12.00am and then guests will have until 12.30am to depart the venue so we recommend that taxis are booked for 12.15am. Please make sure that your guests are aware of this as we don't want to contravene our license.

If any of your guests would like to leave their cars at St Tewdrics overnight then this is absolutely fine but they do so at their own risk. All cars must be collected by 10.00am the following morning.
