DEPARTMENT OF MEDICAL EDUCATION

Pain Medicine

Thursday 4th September 2025

**Medical Education Skills Centre,
Routledge Academic Building, UHL**

Target Audience:

Anaesthetic Trainees, all levels (FP1 – ST7) & Non-training grades

Comprehensive day to cover all aspects of Pain Management:

- Clinical topics on Chronic pain, acute pain and cancer pain
- Workshops giving hands on practical experience e.g. ultrasound use in pain medicine
- Exam question workshops for those studying for FRCA

Aims of the course:

- Learn strategies to manage some of the clinical challenges in acute pain
- Understand the assessment and management of certain chronic pain conditions including Neuropathic pain
- Evaluate some of the interventions used to manage cancer pain
- Discover ultrasound techniques used in pain management
- Practice exam questions for FRCA

Attendance will count towards the sessions required to complete compulsory training at ST level in pain medicine

Free to Attend
