Team Techniques at Le Mans Classic 2025

The Techniques team was once again at this year's Le Mans Classic supporting four customers in three different grids with their Techniques prepared Morgans. There were some fine performances from the drivers at this very fast and challenging circuit and we want to congratulate all of our customers for their achievements at this biennial event, for cars similar to those that competed at Le Mans up to 1976.

Grid 1 – Leigh Sebba

Grid 1 – Sharlie Goddard

Grid 2 – Peter Cole

Grid 3 – John Emberson

Insurance Approved Repairers

Techniques has been expertly repairing accident-damaged Morgans to the highest standards for more than 37 years. Call today to learn more.
