DECLARATION: SANCTIONS AGAINST RUSSIA: AMENDING REGULATION (EU) 2023/1214

2nd October 2023

Re: Russian Material EU Regulation 833/2014

Dear Sirs,

On 23rd June 2023, the EU adopted its 11th package of sanctions against Russia. This includes the introduction of Regulation (EU) 2023/1214, which amends Regulation (EU) 833/2014.

We must comply with the ban of the import of Annex XVII goods manufactured with (iron and steel products) Russian origin.

With reference to the 11th Package of Sanctions against Russia, we hereby declare that our company does not import nor purchase steel products that contain input materials as listed in Annex XVII (iron and steel products) of Regulation (EU) 2023/1214 (eleventh sanctions package against Russia) amending Regulation (EU) 833/2014.

I, the undersigned, acting on behalf of Trojan Special Fasteners Ltd declare that:

1. Any parts supplied are not of Russian or Belarusian origin.
2. Material, used to produce parts supplied, specifically steel, are not of Russian or Belarusian origin.
3. All material used is purchased from UK mills and with respect to steel and stainless steel, it is sourced from mainland Europe.
4. This means that goods supplied to you conform to Regulation (EU) 2023/1214 and 833/2014.

I undertake, where possible, to make available any further supporting documents, if required. Any costs incurred will be notified to you at the point of quotation.
