Cooling Upgrades

Aluminium Radiators

We are often asked what can be done to improve the cooling system.

These very efficient aluminium radiators dramatically improve the cooling and running of your Morgan, maintaining the correct operating temperature, even in extreme conditions.

They are also considerably lighter in weight and suitable for all Morgan models for road or competition use.

Morgan Servicing & Repairs

Our factory trained technicians, have many years experience.

- Comprehensive Service & Maintenance.
- Expert Wing Fitting & Panel Alignment.
- Advanced Engine Diagnostics & Fault Finding.
