

MESP through Music Performance

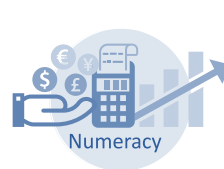

Expressive Arts

Do you want to play an instrument or play in a band? Learn to write your own songs!

You will choose an instrument or voice and perform as part of a group and/or solo. You will perform and record a variety of popular music and have the opportunity to pick what songs you are going to perform.

Learning Intentions & Success Criteria

Learning Intentions

I will:

- develop performance skills on my chosen instrument or voice within a group or solo setting.
- understand the role of individuals within a band.
- perform/record popular music.
- perform/record my own songs.

Success Criteria

I can:

- pick an instrument/voice to develop my performance skills on.
- record a variety of popular music and perform with the band to an audience.
- record and perform my own songs.
