

# Leadership through STEM Little Leaders

## Science

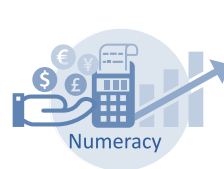

**Improve your leadership and communication skills by planning events.**

If you're interested in teaching or coaching, this is the opportunity for you!

By planning and delivering STEM-related events mainly with our Primary cluster pupils, you will gain a nationally recognised Level 4 or Level 5 Young STEM Leader Award. Develop your team working, communication and leadership skills while promoting STEM to our local community.

### Skills Focus

### Recognition of Achievement

L4 or L5 Young STEM Leader Award

### Learning Intentions & Success Criteria

#### Learning Intentions

I will:

- plan and review activities.
- develop leadership skills.
- deliver a lesson.
- communicate my ideas with others.
- develop my confidence.
- get involved with my community through Primary School visits.

#### Success Criteria

I can:

- take part in planning, leading and reviewing an activity.
- use my imagination and be creative.
- plan a project while working with other people.
- identify the transferable skills I have developed through the project.
- evaluate my own skills, what I have learned and how I could use this in the future.
