

Thinking through Acting and Performance

Expressive Arts

This WAO is for you if you enjoy being in front of or behind the camera.

You will have the opportunity to work in groups to create a number of devised performances and learn about all production elements in Drama. You will experience incorporating sound, lighting, props, make-up and costume to your dramas.

Learning Intentions & Success Criteria

Learning Intentions

I will:

- learn the skills to be able to use production elements to improve audience impact.
- learn how to make responses to stimuli in order to generate ideas for our own dramas.
- learn how to devise performance.

Success Criteria

I can:

- plan, devise and rehearse a drama that incorporates production skills.
- contribute ideas as part of a group.
- give and accept evaluative comments on my own work and the work of others.
