

# Literacy through Italian

## Modern Languages

**Due to popular demand N5 in Italian - come and get it!**

You will have two periods a week where you will be taught by an Italian expert with the aim of achieving National 5 units at the end of the year or even sitting the full National 5 examination. The course will cover language and culture and there will be opportunities for trips and enrichment experiences. This is a perfect opportunity to gain an understanding of Italian if you wish to continue onto Higher Italian in S6.

### Skills Focus

### Recognition of Achievement

N5 Italian OR N5 Italian units;

Unit 1 - Understanding Language

Unit 2 - Using Language

### Learning Intentions & Success Criteria

#### Learning Intentions

I will:

- learn about a new language and culture from an authentic source.
- transfer the skills developed over the last 4/5 years and achieve National 5 units in reading, writing, listening and talking.
- have the confidence to learn new languages.
- develop the ability to learn independently.

#### Success Criteria

I can:

- apply my skills and knowledge of learning a language to a new language.
- further develop my reading, writing, listening and talking skills to achieve National 5 units in a new language.
