

# Enterprise through Mandarin

## Modern Languages

The world is a **BIG** place! Let's learn more about it!

You will have a fantastic opportunity to learn the fastest growing language in the world. You will learn more about the geography and culture of China and the impact it has on the rest of the world. This will broaden your horizons and allow you to learn more about your own language and culture.

### Skills Focus

### Recognition of Achievement

L4 Personal Development Award.

### Learning Intentions & Success Criteria

#### Learning Intentions

I will:

- develop my self-confidence with regards to leading and taking my own initiative.
- develop resilience and decision making skills in different areas of life.
- learn about a new language and culture from an authentic source.
- develop basic proficiency in Mandarin language skills
- develop oral communication skills in a foreign language.

#### Success Criteria

I can:

- plan and lead an awareness campaign for the wider community on Mandarin and Chinese Culture.
- identify the skills that I am working on and can see where that could be used in specific jobs.

### Senior Phase Progression

Senior Mandarin WAO  
HSK exams
