

Literacy through Creative Writing

English & Media

Are you passionate about improving your writing skills & creating excellent stories?

This WAO will offer you the chance to showcase your talents in literacy and enter national competitions to demonstrate your skills.

If you love reading, poetry and all things creative, then this is the perfect opportunity to push yourself to the next level and be recognised for your talents.

Skills Focus

Recognition of Achievement

Red Book Award / Other National Competition Awards

Learning Intentions & Success Criteria

Learning Intentions

I will:

- gain a deeper understanding and appreciation of literature.
- develop a stronger grasp of writer's craft.
- learn how to express myself effectively.
- gain confidence.

Success Criteria

I can:

- read a variety of texts and critically discuss features of them.
- use a diverse range of writing techniques to appeal to audiences.
- use my writing as a way to express myself.
- display my skills through performance poetry.
