

Literacy through Film

English & Media

Calling all film fans...

If you love film, this is the WAO for you! You will be given the opportunity to watch and discuss a wide variety of films from a range of directors, write reviews and even gain a National 4 qualification! You will begin to learn the basics of studying and creating media.

Skills Focus

Recognition of Achievement

N4 Media Unit - Analysing Media and Creating Media (L4)

Learning Intentions & Success Criteria

Learning Intentions

I will:

- develop my knowledge of film.
- learn about key aspects of media.
- develop critical evaluation skills.

Success Criteria

I can:

- plan, write and publish a film review.
- identify and explain the content and context based key aspects of media and how they work together.
- create media content and evaluate the creative process.

Senior Phase Progression
