

Literacy through Heritage Heroes

Humanities

Explore our local heritage through objects, documents, buildings & landscapes!

The Award celebrates and rewards engagement with all forms of heritage and is based around participation in a heritage project decided by the group. There are 5 different sections to the Award - plan, investigate, engage, inspire and reflect. You will be involved in all stages of the process and will be encouraged to develop your leadership.

Learning Intentions & Success Criteria

Learning Intentions

I will:

- be involved in the planning of the project and the details of what you are going to do.
- research and find out more about the heritage I want to engage with.
- visit, explore and experience heritage.
- share what you have learnt in an imaginative way.

Success Criteria

I can:

- plan a project while working with other people.
- identify the transferable skills I have developed through the project.
- evaluate my own performance, what I have learned and how I could use this in the future.
