

# Numeracy through National 5 Mathematics

## Mathematics & Computing

**Work towards achieving N5 Maths alongside your Highers.**

This WAO will be coupled with your tutorial time to allow you to gain the full course award. This course will allow you the opportunity to study towards National 5 in S5/6, whilst allowing you to take up to five Highers. You will develop your algebraic, geometric and numerical skills up to National 5 level.

### Skills Focus

### Recognition of Achievement

N5 Mathematics

### Learning Intentions & Success Criteria

#### Learning Intentions

I will:

- work on my logical reasoning skills in a Mathematics context.

#### Success Criteria

I can:

- understand and apply mathematical skills in algebra, geometry, trigonometry and statistics.
