You can text us on our mobile number - **07810 806 900**. Please ensure that you also notify your Child(s) Teacher(s) at the school as they will be aware that the child/ren will be brought to / collected from Superkids After School / Breakfast Club. Please also note, that to cancel an ad-hoc booking we require 48 hours '

Drop off and Collections:

Your child's **safety** is important to us.

Therefore, when attending Breakfast club, your **Child/ren must be escorted** to the hall with carer / guardian and be signed in at the parent desk.

There have been occasions when children have been dropped off outside and have not come into Superkids. We cannot be responsible for your child's safety until they are handed into our care. Thank you.

Breakfast serving time:

Breakfast is served from 7.30am to 8.20am.

Please note last serving for breakfast is 8:10am

Please arrive by 8.10am if your child requires breakfast.

Late Collections - Unfortunately we have to vacate the premises 17:55 sharp - as the Premises Team need to lock up after us, which has a knock on effect on School staff duties. **Persistent Lates will** affect your child's place at our club. Please call / text the Superkids team as soon as possible so that we can make arrangements & notify those who are affected also. After 6pm we may have to wait outside the building, regardless of weather, once the building is locked up.

Thank You for your support
