Dear Parents & Carers,

Welcome to our Spring Term Newsletter.

This newsletter includes information on:

- Extended Breakfast Club opening time
- February Half Term Playscheme at Rushey Green School
- Superkids Term Dates and Care Clubs
- Weekly Themed Topics

Please look out for updates on the **Parent Information Board**.

Breakfast Club Extended Opening

Superkids Breakfast club now opens at **7.30am**.
The cost remains £5.50 per morning or £6.50 per adhoc session.

Please ensure children arrive by 8.15am if they require breakfast, as there is a rising number of children who rush to finish breakfast before school start time.

Last breakfast orders will be taken at 8.15am.
This leaves plenty of time for children to eat breakfast and be ready in good time for school.

February Holiday Club
14th to 18th February
8am to 6pm

Superkids are running a holiday club in the hall at Rushey Green school this February half term from 8am to 6pm daily at a rate of £25 per day.

Some families may be eligible for support with childcare costs through Universal Credits or you may wish to check-out the Gov tax-free childcare scheme.

Each day, children will have a full and fun-packed day of sports, arts and crafts and games.

Contact Jo for the full activity programme.

Breakfast and afternoon snack will be served daily.

Children will require a packed lunch from home and refillable water bottle.

The February holiday club can be booked by emailing admin@superkidsclub.co.uk

We have a number of uncollected belongings at Superkids.
Please ensure that all items of clothing, bags and bottles are labelled with your child's name to help us return any items to you.

Superkids Term Dates

Superkids breakfast and after school open dates is the same as the school terms dates for children.

Superkids is an independent childcare provider and does not use the title "Care Club" which is used by the school for its own club provisions.

There were some misunderstandings at the start of January term, whereby some families thought that Superkids was not yet open, as school clubs were not running.

If you have questions about any aspect of the breakfast or after school club, please contact us directly.

Themed Topic Weeks

The Superkids team have been working really hard to come up with fun and educational activities for our themed topic weeks.

Starting with "Healthy Week" the team will deliver an activity each day from tasting fruit and vegetables to learning about keeping our teeth clean, physical exercise for a healthy body and sensible food choices.

All activities are presented in the form of games and craft, so that the children are learning and having fun at the same time! We have a different topic and activities each week.

Don't forget to regularly check the **Superkids Parent Information Board** in the hall, where you will find the weekly snack menu, activity plan and other useful information.

Safeguarding Reminders:

Phone Policy—please ensure mobile phones and devices with cameras are out of sight whilst you are in the Superkids hall, to ensure the safety and wellbeing of all children.
