

FAB UNIFORM RECYCLING

Just a wee reminder that FAB run a uniform recycling service in the school.

There is a wide variety of items available, on display on the rail just to the left of the main entrance to the school. It has been tidied so it should hopefully be easier to find what you are looking for. Of particular popularity tend to be blazers. There are a good number in different sizes on display and I have several more at home to launder and return.

We would encourage pupils to help themselves to what they require when they are in school. If it is absolutely crucial that a parent/carer requires access, then that will be permitted as long as a face covering is worn and hands are sanitized at the reception desk.

Please leave any hangers and labels as we will reuse them.

We always welcome donations of good condition uniform items you no longer require (blazers, black jumpers/cardigans, black skirts/trousers, white or black school shirts/blouses, red/white/tartan ties, PE t-shirts). We would politely ask that these are laundered and then placed in the large black lidded crate that is located beside the rail.

Kind regards

Susan MacKinnon (FAB committee member)
