

Our key priorities – Session 2022/23

1.	Further improving outcomes for all learners.
2.	Further improving our learning provision.
3.	Further enhancing our leadership and approach to improvement.

Priority 1 – Further improving outcomes for all learners

- a. Continued and enhanced focus on health and wellbeing
- b. Continue to develop our approaches to learning and teaching
- c. Continue to support pupils into appropriate and sustained positive destinations
- e. Further develop our support for families with a specific focus on equity and cost of the school day.
- f. Build on recent refinements to how we celebrate success in our school community

Priority 2 - Further improving our learning provision.

- a. Further support pupils in making curricular transitions from S2 into S3, and from S3 into S4
- b. Continued refinement of current senior phase curricular provision
- c. Enhance opportunities for achievement and attainment within our broad, general education
- d. Review and refinement of broad, general education
- e. Continued development of our alternatives to pupil exclusion
- f. Refresh our restorative approach
- g. Enhance our digital learning
- h. Develop our environmental and sustainability educational offer
- i. Further develop our RRS agenda with specific focus on our equalities agenda and building racial literacy
- j. Consider our approaches to monitoring, tracking and reporting information

Priority 3 - Further enhancing our leadership and approach to improvement.

- a. Development of professional learning collaborative, focusing on leadership
- b. Enhanced parent/carers and pupil participation in ongoing school improvement activity
- c. Refresh Pupil Leadership programmes
